Constitution & By-Laws: Chairman PDG Habrat indicated that he felt that the Constitution & By-Laws of District 27-B1 should be revised (Little did he know what would follow). He would like the voting for convention host city to be held 2 years in advance due to the difficulty in booking facilities with only one year notice. The deadline for state resolutions will be about 15 February. If anyone wishes to submit a resolution, PDG Habrat will help in the writing.

Due to a lack of a nominating speech at the District Convention by the only club running for next year's bowling tournament, several cabinet members expressed a concern about what could be done to avoid this in the future. After much discussion, R1C Petri made a motion,

seconded by Lion Williams, that District Bowling Chairman Pat Harder make a set of minimum guidelines that the perspective club would meet for the district bowling tournament. Motion carried.

A motion was then made by PDG Tadych, seconded by PDG Murty that a set of minimum guidelines be set up by the Constitution and By-Laws Committee for nominations at the district convention of all district offices and events. Motion carried. PDG Habrat eagerly welcomes suggestions on what these guidelines should contain.

Pin Sales Report: District Pin Chairman Damrow reported that we have a lot of district pins still to be sold. They aren't moving well. He indicated the number ordered for next year may have to be reduced. After much discussion on how to resolve this matter, PDG Habrat moved, seconded by R4C Showers, that Pin Chairman Damrow work with the region chairmen to divide up the district pins on hand among the zone chairmen to sell. Motion carried.

Diabetes: Lion Knox reported that he is available to give his presentation to clubs. He also has literature, videos, and film strips available for any club that wants them. Environmental: Nothing to report at this time.

Historian: Due to illness, PDG Doede had nothing to report.

LCIF: PDG Kochreported that several thousand dollars was collected this weekend. He is promoting clubs to get involved in 2, 3, or 5 year plans to collect money for Melvin Jones Fellows. DG Voigt recommended to DGE Showers to create a cabinet level position for Sight First as this is getting to be too big of a job for the LCIF Chairman to handle.

Leader Dog: PDG Murty reported that $3650 was collected in the Parade of Checks at the District Convention. The seminars conducted by Lion Larry Colbert were well received. PDG Murty has extra materials from the seminar available.

Leadership & Indoctrinations: PDG Kitchen reported that about 40-45 future club presidents attended his seminar. Things went well. No Lioness report.

Lioness Kitchen expressed concern about lady teams at the district bowling tournament listed as Lioness teams, when, in fact, they were not. DG Voigt instructed PDG Habrat and Lion Harder to write a resolution to revise that part of the constitution that pertains to lady bowling teams.

Lioness Kitchen also indicated a concern about charging convention seinar speakers for registration fees. We now have a place to send loose lenses, frames, and cases. They may be sent to: Rollin Braun, 1715 S. Lincoln, Howards Grove, WI 53083.

Tail Twister Jeri Achterberg, being the thoughtful person that she is, made our trip home so much easier by making our wallets lighter, and therefore, less of a burden to carry; and, in so doing, was able to turn in the following amounts: $410.00 - raffle of clock, amount sent to Fight For Sight; $536.03 American and $2.00 Canadian (guess the responsible party and win a 3-month-old Twinkee) at the Convention; and $31.00 at the District Cabinet meeting. PDG Kitchen moved, seconded by PDG Tadych, to donate the money collected by the Tail Twister at PID Eick's Tribute to the Wisconsin Lions Foundation in PID Eick's name. Motion carried.

Wisconsin Lions Foundation: PDG Schneider reported that 75% of the district clubs have made their contributions to WLF. Now he and PDG Wood can concentrate on the remaining 25%. At a recent work day at the camp, of the 52 people working, 25 came from 27-B1. Another work day is scheduled in April.

Youth Exchange: Lion Peterson states that our district will be hosting 6 exchange youths and will sponsor at least one to go abroad. If a club wishes to send a student, the deadline for application is 1 February and to host, the date is March 15. Move money is needed to sponsor these exchanges. Lion Peterson is investigating setting up a Lion Adult Friendship Exchange program.

Wood and PDG Herbert Schneider, Wisconsin Lions Foundation; Deloran Peterson, Youth Exchange; and Guest Roy Kuehn. Also in attendance was the entire cabinet of District 27-B2, too numerous to mention.

The following members were excused: R1Z3 Greg Kreft; R3Z2 Anthony Piencikowski; PDG Max Harrington; PDG Clarence Weller, Advisory Board; Robert Hautamaki, Honorary; PDG Thomas L. Koch, LCIF; June Kitchen, Lioness Associate; and Louis Cecil, Public Relations.

The meeting was opened with a prayer lead by Chaplain Earl Buchholz, Pledge of Allegiance lead by IPDG Thomas Thorson, and the song: "God Bless America" lead by Song Leader Earl Buchholz.

This was a joint meeting with the Cabinet of District 27-B2. Opening remarks were made by DG Voigt and Dist. 27-B2 Governor DeWayne Carl. PDG Bob Entringer from District 27-B2 gave a short presentation about Wisconsin Lions Week which is to be held this year during the week of the State Convention. He encouraged all the clubs to "blow their own horn" and get the word out on what the club does.

Before breaking into separate groups for the Districts' respective cabinet meetings, all those in attendance introduced themselves and their Partners in Service. At this time, a short recess was held.

DG Voigt introduced Lion Bernie Beimel from the Sheboygan Evening Club, who will replace Lion Eugene Stoeckigt as the zone chairman for R2Z3. Lion Stoeckigt passed away this past December.

Secretary'sReport: Motion made by PDG Coleman, seconded by Lion Ken Rohde, to approve the minutes of the last meeting. Motion carried with a few minor corrections.

Treasurer'sReport: Motion made by R2C Jim Roberts, seconded by R4C Bob Showers, to approve the Treasurer's Report. Motion carried. Cabinet Treasurer Schmid, at the request of LCIF Chairman Koch, reported on the donations collected so far this year. We have $2735.00 in the LCIF account, not including funds earmarked for certain clubs or zones. This is about $1300.00 short of the district goal of $4000.00

OldBusiness

1990DistrictPinSales: Pin Chairman Damrow reported on the distribution of the 1990 District Pins. The old pins were distributed to the zone chairmen for sale. The response from the zone chairmen was mixed. All were encouraged to keep trying and to report at the next cabinet meeting.

StateBowling: Lion Pat Harder reported that the state bowling tournament is currently being held in Monona Grove and teams could still sign up. Next year's district bowling will be held at Markesan and Region One clubs are eligible to host it the following year. Lion Harder reported that there was no requirement for a club to be present at the district convention in order to be placed on the ballot to host a tournament. He stated that a change in the constitution would be required. Resolutions will be forthcoming. Concern was expressed about the use of the name Lioness by groups bowling that were not in fact Lioness Clubs. It appears that the team in question did not register themselves as Lioness and the use of the name was done only in reporting at the district convention and was an unfortunate error.

ClubExtension: PDG Coleman reported that with the help of others, he is trying to form clubs in Kohler and the Darboy area and a Lioness club in Sheboygan Falls. Lion Williams reported that he and Lion Knox are trying to get some clubs at some companies and also a breakfast club in the Appleton area.

FinalDistrictConventionReport: Lion Gordon Hoffman reported on a very successful district convention. The Green Lake Club is to be commended. Some highlights of his report: 551 people registered, 74 out of the possible 95 Lion and Lioness Clubs represented, 140 rooms filled for the convention, 291 at the luncheon, 308 at banquet and 83 for breakfast Sunday morning. The Green Lake Club had a profit of $3712.44 for the convention.

NewBusiness:

StateConvention: The District meeting at the State Convention will require a meal ticket to attend according to the La Crosse Convention Committee. Many comments were made - most in disapproval. PDG Coleman moved, seconded by Lion Reiss, that anyone that wants to attend the district meeting at the State Convention may do so without a ticket. Motion carried. Due to the availability of a convention package on banquet tickets, handing out opening banquet tickets to cabinet members could not be handled as it had in previous years. R4C Showers moved, seconded by R1C Petrie, that the District return $14.00 per cabinet attendee at the opening banquet of the State Convention. Motion carried.

1991DistrictPin: Lion Damrow received the new district pins. The pins cost a little over $2000 for 1800 pins - about $1.15 per pin. PDG Coleman moved, Seconded by PDG Leverentz, to sell the pins at $1.50 per pin. Motion carried. Questions about the state prestige pins were answered by Lion Damrow.

PDGMerrimanSpeaks: PDG Harry Merriman from District 27-B2 and International Director candidate spoke to us about the up-coming International Convention and his candidacy. He asks us for our support.

InternationalConventionReport: DG Voigt reported that the 1992 convention will not be held in Madrid, Spain. Their projected costs have increased more than what is acceptable by the Board of International Directors. Possible replacement cities: Chicago, USA; Hong Kong; Osaka, Japan; or Nice, France. 1993 convention will be held in Minneapolis, MN. About 15 people from the cabinet plan to attend the 1991 convention in Brisbane.

Drug&AlcoholAwarenessAccount: PDG Tadych moved, seconded by PDG Coleman, to create a Drug & Alcohol Awareness Account in the district budget to help smaller clubs promote educational programs. Motion carried.

CommitteeChairmanReports:

YouthExchange: Lion Peterson reported that the district has hosted a total of 7 youths this winter and plan on hosting 5 this coming summer and have one student going abroad. Host families are needed, either for 3 weeks or 6 weeks. Clubs are encouraged to sponsor youths from foreign countries. The possibility of running a district raffle supporting youth exchange was brought up, particularly to support sending a youth to Japan this summer. PDG Coleman moved, seconded by PDG Kitchen, not to hold a raffle. Motion carried.

WisconsinLionsFoundation: PDG Schneider reports that the district is close to 100% in club donations. However, it looks like donations needed to meet the projected budget will fall short. The District is the leader in the 500 Club membership. WLF will sponsor a glaucoma, diabetes, and cholesterol screening clinic at the State Convention. WLF is also considering buying a mobile van to conduct screenings throughout the state. This is still in the planning stage. PDG

Wood reported on moving the office to the camp. This was done under budget due to the many donations of clubs, help from people to work, and companies donating materials. The announced work weekend at the camp in April will be put off until later as there is a group of Leos scheduled to work that weekend.

Sight Conservation / Eyebank: PDG Doede reports that the number of eyes donated are down this year statewide and also in our district. DG Voigt added that he has a video on the eyebank that is available to anyone that wishes to view it.

Membership Orientation & Retention: PDG Kringel stated that the District has gained as many members as we have lost. We must keep looking for new members. DG Voigt instructed the region chairmen, with the help of PDG Kringel, to conduct membership orientation and retention meetings sometime after the Growth Months, January, February, and March, are over.

Lioness Liaison: PDG Kitchen reports that there will be a seminar held at the State Convention.

Leadership & Indoctrination: PDG Kitchen needs help to conduct officer training meetings which the region chairmen are to set up.

Leo Clubs: Lion Lutz had a couple of Leos from B2 down to their last zone meeting to tell what they get out their club. He is still looking for places to install a club.

Leader Dog: PDG Murty indicated that we are only halfway home on donations from clubs to Leader Dog. There is not much time left in this year for clubs to donate, so get the money in.

Journey for Sight, Drug and Alcohol Awareness: PDG Tadych suggested to Lion Peterson that he can organize a Journey for Youth Exchange and PDG Tadych would be happy to help. Wisconsin ranks 9th in the nation in sponsoring Lions / Quest, "Skills For Adolesence" with 458 schools grades 6-8. We rank 10th with 118 schools in the new Lions / Quest "Skills For Growing" in grades K-5. In our district, 22 schools sponsor SFA and 13 sponsor SFG with two new schools to be added soon. There will be three training sessions at the Lions Camp in April. Anyone knowing a school that is interested, should contact PDG Tadych.

Hearing & Speech: PDG Schoenborn reported that our district is about halfway there on contributions to the Temporal Bonebank. Keep them coming.

Elections: Lion Reiss reported the state committee is getting ready for the State Convention.

Constitution & By-Laws: PDG Habrat reported about the 10 resolutions to be voted on at the state convention. He spoke briefly on each one. Due to time, more will be presented at the next cabinet meeting.

Diabetes: Lion Knox reported that the ADA of Wisconsin has put the Lions on the Exempt List for the sale of the Diabetes Camp. An appraisal is not in yet. He has visited a number of clubs and has a slide show and a video show available to clubs.

Region and Zone Chairmen Reports:
Due to the lack of time, these reports were dispensed with and chairmen were to hand in written reports to the Secretary. Following is a brief report on those that were received.

For R1Z1, Lion Reif reports average attendance at meetings is 78%. Membership: gained 11, lost 17. Activities: Peace Poster participation, all clubs sponsored Holloween and Christmas programs for grade schools, clubs donated a total of $6511 besides Parade of Checks.

Lion Greg Kreft reports that R1Z3 membership down 7, plans for Manitowoc Area Eyebank was finalized at the last zone meeting. Lion Knox spoke at the last zone meeting.

R2Z2 membership down slightly according to Lion Adams. All clubs have held fund raising activities and have made many donations, especially Waldo, which donated $5000.00 to fire victims.

Lion Larry Pfaffenroth reports that R3Z3 clubs have been active with many different activities such as breakfasts, brunches, pizza sales, and dances; M&A's are in on time; successful zone meeting with all clubs there and pins distributed; zone membership down slightly.

Membership continues to be a problem, so says Lion Michael Konen of R3Z4. All membership chairmen are working hard on new ideas - hopefully they will bear fruit. Zone Social to be held; zone is 100% on WLF; Fond du Lac Lioness members all WLF 500 Club; and zone is working on those pins.

For R4Z1, Lion Chuck Taylor reports that winter fund raisers are going well for his clubs. About half gave at the District Parade of Checks, which is not bad for the first time. Membership is down nine since July. Zone plans to give a Melvin Jones Fellow at the Spring Social.

All the clubs in R4Z3 are doing well at this time so states Lion James Panten. Working on a zone Melvin Jones Fellow. No mention on membership; could this be good news?

OtherNotes: Our district's Peace Poster won the state contest.
Our behavior at cabinet meetings must be improving since our ever watchful Tail Twister only relieved us of $8.10 this time.
Motion by (Who Else?) PDG Coleman, seconded by Lion Jeri Achterberg to adjourn.
Motion carried at 5:20 PM.
Meal and social get-together with District 27-B2 followed.

Respectfully submitted,

GREEN LAKE LIONS CLUB

GREEN LAKE, WISCONSIN 54941

GREEN LAKE 27-B1 DISTRICT CONVENTION REPORT

We had a total registration of 551 Lions, Lioness and guests represented at the 1990 27-B1 District Convention. This is a new record. Of the 95 Lion and Lioness Clubs in our District we had 74 clubs registered. We also had representation from all 10 Districts in the State as well as Lion State Officials and the International Director, William Webber from Canada.

It was gratifying to see that we had a total of 35 Lion and Lioness Banners on display in the Convention Center. There were a total of 140 rooms filled for the Convention and we had 291 luncheons, 308 banquet and 83 breakfast tickets sold.

There were about 30 ladies that went on the shopping tour.

I feel we had one of the biggest and best District Conventions in the State. It was a pleasure to serve all the Lions and Lioness and guests of 27-B1. Thank you for your fine support.

The following members were excused: David Petrie, R1; Lawrence Pfaffenroth, R3Z3; Brian D. Day, R4Z2; PDG Max Harrington and PDG Clarence Weller, Advisory Board; Ken Rohde and Robert Hautamaki, Honorary .

Upon noting the absence of the Tailtwister, Lion Glen Reiss moved, seconded by PDG Clem Schoenborn, to fine the Tailtwister $5.00 for tardiness. Motion gleefully passed. Once the punishment of this serious dereliction of duty was meted out, the meeting was opened with a prayer lead by Chaplain Earl Buchholz, Pledge of Allegiance lead by IPDG Thomas Thorson, and the song: "America the Beautiful" lead by Song Leader Earl Buchholz.

Introductions and Opening Remarks District Governor Voigt made some opening remarks which was followed by introductions of all present. Attendance and Picture sign-up sheets were passed around for cabinet members to sign. Tailtwister Achterberg, noting the absence of cabinet caps given to us by our district governor, fined all members without their cap. This included all members but one, who shall remain nameless.

Secretary's Report Motion made by PDG Paul Tadych, seconded by PDG Clem Schoenborn, to accept the minutes of the last meeting. Motion carried.

Treasurer's Report Several questions were raised about including the sales of state pins in our district pin account. It was felt that this gave a distorted picture of the condition of the district pin account. Upon advisement of the Cabinet, the Treasurer will split the district and state pin sales into separate entries. Motion by PDG Clem Schoenborn, seconded by RC Bob Showers, to accept the Treasurer's Report. Motion carried.

Old Business

Tailtwister Funds The question of disposal of tailtwister funds was settled at the first cabinet meeting of the year. At that time, the Cabinet decided to donate money collected at cabinet meetings to LCIF and money collected at the district convention to WLF.

State Convention

Opening Banquet A list and number of cabinet members that are eligible for reimbursement for attending the opening banquet at the state convention has been sent to the convention committee by DG Voigt. The names of those attending will be returned to the district and those attending will be reimbursed at the state convention. A show of hands of those attending was counted to get an idea of the amount needed.

State Resolutions PDG Dwaine Habrat presented the resolutions to be voted on at the state convention. The resolutions will be printed in the April issue of the state magazine. The resolutions and recommendations of the State Resolutions Committee and Council of Governors are as follows:

1. A resolution to make the most recent PID a full member of the Research and Long Range Planning Committee. Recommended by both.
2. To make more efficient use of the bowling committee funds. Recommended by both.
3. Would clarify the By-Laws regarding attendance of district meetings held at the state conventions. Recommended by both.
4. Would provide that appointment to the Long Range Planning Committee would alternate between numbered districts. Recommended by both.
5. Eliminate the maximum of four years of service on the state curling and bowling committee. Recommended by both.
6. To change the content of the membership of the state convention site committee. Recommended by both to disapprove.
7. To change the policy by which chairmen of state committees are selected. Recommend disapproval by both.
8. A complimentary resolution, acknowledging the contributions of the members of our armed forces. Recommended by both.
9. A congratulatory resolution, complimenting the La Crosse State Convention Corp. on the state convention. Recommended by both.
10. A congratulatory resolution, complimenting International President Bill Biggs for attending our state convention. Recommended by both.

The last three resolutions will be acted on by voice vote at the State Convention on Friday. The resolutions will be printed only in abbreviated form on the ballot, so delegates should know their contents and how they plan to vote ahead of time.

Elections Chairman, Lion Glen Reiss, stated that he will go over the elections procedures at the district meeting at the state convention.

Parade Entries DG Voigt would like the District Banner to be carried or displayed in the parade at the state convention. The banner will be displayed on some float or carried by someone. The DG will arrange it.

District Pins Pin Chairman John Damrow gave a report on pin sales to this point. Since he had not heard back from all region and zone chairmen, he could not give us a complete report. It was decided that Lion Damrow should meet with these chairmen during break and report to us later in the meeting.

International Convention PDG Paul Tadych reported on the message center which will be in the condo complex. Due to high tariffs, Wisconsin cheese will not be available at the center this year.

IPDG Tom Thorson reported that all people going to the International Convention will get a letter from state secretary Debbie Lutz and one from PID candidate Harry Merriman asking for help in his campaign. Secretary Lutz will be selling Wisconsin Breakfast tickets at the state convention.

Break for picture.

USA/Canada Forum DGE Bob Showers has applications to attend the Forum to be held next fall at Salt Lake City. He also has brochures available. He encourages Lions to attend. The state is attempting to bring the Forum to Milwaukee in the near future.

Region and Zone Chairmen Reports:
R1Z1C Bob Reif reported that membership is down 5 since July but expects increases in the next month. Many clubs are planning summer activities and fund raisers. Hilbert Lions are sponsoring a $60,000 fund drive for a young man that has a rare form of cancer. Club elections on track.

Membership is climbing a bit in R1Z2, according to Chairman Ron Deets. Several clubs are planning trips to state Lions Camp this summer.

R1Z3 will finally get their area eyebank in operation this month, so stated Chairman Greg Kreft. Membership is down one. Zone meeting on 15 April.

Region Two has their officer training session set up and membership is back to what it was at the beginning of the year. Chairman Jim Roberts hopes that his region will be able to build on that for the remainder of the year.

R2Z1C John Damrow stated that his zone's membership is up four for the year. Most club activities are done for the year, a few yet to be held. He has a zone meeting coming up.

Chairman Gene Adams reported that R2Z2's membership is up due to some nice increases by two clubs in his zone. Many activities held by clubs to raise money and to help local citizens. His zone held a zone meeting/social on a Sunday afternoon and evening and had a large turnout.

Zone Three of Region Two is in the process of holding club elections in all clubs. Lion Bernard Beimel reported that all clubs, with some difficulty, fielded full slates of officers. All clubs will be represented at the State Convention. Membership is down 10 in the zone. Zone social to be held 6 May.

R3C Earl Buchholz stated that his region has had a good year and membership is holding steady.

R3Z1C Gerald Wagner reported that three zone meetings have been held emphasizing diabetes, membership, and Leo Clubs. All clubs on schedule for elections, 100% for Lions Foundation, 100% for Fight for Sight, and should be 100% for Leader Dog. Attendance at zone meetings is up. Membership for the year is unchanged.

The zone is down three members according to R3Z2C Tony Piencikowski, but hoping for an increase by the end of the year. Oshkosh Lakeshore is 100% in 500 Club. Contributions are good. Oshkosh Lakeshore to celebrate their 25th Anniversary.

Lion Buchholz and PDG Wood reported on Zone Three's upcoming zone meeting for Chairman Pfaffenroth, who was attending the funeral of a member of his club. A Five Diamond Melvin Jones will be awarded at that meeting and another Melvin Jones.

Membership has increased during the last three months, but is still down for the year in Zone Four of Region Three, so stated Lion Mike Konen. All clubs are active with fund raisers at this time. Last zone meeting scheduled for 22 April. Good attendance at zone meetings. Pin sales are slow.

Region Four is gaining in members indicated Chairman Bob Showers. Officer Training is set for May First. Lion Showers reported for Zone Two Chairman Brian Day. Membership in the zone is up, one club up five in the last two months. Packwaukee will observe their 15th Anniversary.

R4Z1C Chuck Taylor reported that membership is up seven since July 90. They had good attendance at the last zone meeting. The Zone selected their third Melvin Jones Fellow, who was nominated by three clubs. Summer activities to be held.

R4Z3C James Panton reports that all clubs gave for a zone Melvin Jones Fellow that will be given at the next zone meeting. Clubs are working hard and are contributing to LCIF, WLF, Fight for Sight, Leader Dog. Membership up nine. Lion Jim stated that it has been an interesting year for the first time as zone chairman.

Correspondence Appleton Evening will be hosting An Evening at the Dog Track on 25 April. Everybody is invited.

Three clubs are celebrating anniversaries, Oshkosh Lakeshore's 25th and both Neenah and Menasha's clubs 55th.

New Business :

Club Installation Ceremonies DG Voigt and DGE Showers will not be available much in the month of June, so they will not be able to conduct installations. Region, Zone, and Committee Chairmen are asked to pitch in and do their part. Every club should conduct a dignified ceremony.

District Convention-1991 PDG Dwaine Habrat gave a short report on the upcoming convention. People planning to attend should get their reservations in;

phone # 725-8441; rooms: $53.50 plus tax. PDG Jack Coleman moved, seconded by RC Jim Roberts, to approve for the Town of Menasha Club to make a mailing for update on convention and permission to run a raffle. Motion carried.

Committee Chairman Reports

Diabetes: Lion Carl Knox reported on the exploration of purchase of the Diabetes Camp near Brothertown own by the ADA. The appraised price of the camp is $350,000. The ADA is willing to negotiate considering that they wish to still run camps for their people five or six weeks each year. Much discussion followed. PDG Paul Tadych moved, seconded by ZC Gerald Wagner, to give Lion Knox permission to pursue inquiry into purchase of the ADA Camp by: a) finding out what the cost will be, and b) getting permission from the Council of Governors and WLF. Motion carried.

PDG Paul Tadych, as Journey for Sight Chairman, outlined a program that would have every club in the District hold a journey of some sort on 29 April, 92 to raise money for the district. He indicated that this money could be used for the diabetes camp.

Bowling: State tournament is winding down. Region 1 is eligible to host 1992 district bowling tournament.

Pin Committee: All 88 and 89 district pins are now gone. Lion Damrow has 324 90 and 983 91 pins left at this time. He will soon be turning in a check to the cabinet treasurer on all that have been sold.

Drug and Alcohol: PDG Paul Tadych reported that Lions Quest training sessions will be held at Lions Camp and at Montello. The second week in May will be Drug Awareness Week.

Hearing and Speech: PDG Clem Schoenborn reported that due to changes at the temporal bone bank, all referrals for hearing aids are to go through the district chairman.

Historian: PDG Orv Doede has been working to organize the historical documents of PDG. He is trying to find some past International Directories. He needs those for 1970-71 and before 1967.

Sight Conservation: PDG Doede reported that he has received a Quarterly Report from the Milwaukee Eyebank. The count is up for the first quarter of this year, 148 eyes, which is about 30 more than last year. He has two video tapes available - Sight First and Eyebank, for clubs to use.

LCIF: PDG Tom Koch reported that it looks like the district will be able to award four Melvin Jones Fellows. He will meet with his committee to pick recipients at the state convention.

Leader Dog: PDG Glen Murty reported that 57 out of 94 clubs have contributed so far this year. The Lions donations part of Leader Dog's budget has been dropping year by year. In the future, something will have to be done about this.

Lion & Lioness Extension: Lions PDG Jack Coleman and Gary Williams, despite their best efforts have not been able to start any new clubs.

Lioness Associate: Lioness June Kitchen reported on the Lioness seminar held in Fond du Lac yesterday. Six clubs were represented. Clubs that were not there missed

out on a good meeting. The Lioness Clubs are 100% for WLF and are hopeful to make 100% for Leader Dog.

Membership & Retention: PDG Kringel reported on having some success gaining members through the local membership committees. This is the first year these clubs are in existence and they are still feeling their way around. Clubs must get the story out on Lions.

Public Relations: Lion Lou Cecil will continue to fill this post next year and asks that clubs sent publicity to him so he can send it in for publication in the state magazine.

WLF: PDG Milt Wood reported that 1772 people attended camp during 13 weeks last year. This year there will be only 12 weeks of camp due to Labor Day being earlier the summer, which happens every 5-6 years. Reach program during the off season had 1169 people last year. The weekends are already filled for next year.

PDG Herb Schneider reported that the district should be complimented for getting 100% last year. The Endowment Fund is growing, about $800,00 now and hope to hit one million dollars next year. PDG Herb indicated that some clubs are giving the same amount that they gave years ago, but costs continue to increase. Only eleven clubs give $1500 or more in the district.

Youth Exchange: Lion Del Peterson indicated that the clubs that have donated so far are listed in the Governor's newsletter. We will have a girl from the Republic of China in our district. Committee is looking for a camp for the youth Exchange students to get together. In the future, Youth Exchange plans to send the required $800 to the state and hold the rest in the district Youth Exchange use.

Tailtwister's Report: Lion Jeri Achterberg finished the year with a bang, collecting $38.50. To show that her heart is in the right place, she cheerfully contributed to this amount by tossing in five bucks herself.

DGE Bob Showers indicates that his cabinet is about ready to go.

Meeting adjourned at 5:05 PM.
Dinner and presentation of gifts of appreciation by DG Voigt followed.

Respectfully submitted,

Dear Lions and Lioness:

Are we all ready for a great year in Lionism? I use that "We" because I'm included in that category. Here I'm not officially installed as your District Governor as yet, but I wanted to get off this letter to you early in the month. Right now we're getting ready to leave for the International convention at St. Louis. District Governor Elect training sessions are from July 6-10. The convention officially opens on Wednesday, July 11th and runs thru Saturday, July 14th. A multitude of workshops and seminars are scheduled throughout the week for everyone. We will be getting info on the new global sight program that is being launched this year. At this stage I really don't know that much about it, but we'll bring back all the particulars and see if we can adopt it here in 27B-1.

Both Chris and I have enjoyed all the Lion activities leading up to this year since my election last November. I've installed a multitude of new officers for Lions and Lioness clubs – even did three clubs in one night. Special thanks right here to the Amsterdam, Adell, and Waldo Lions for your wonderful hospitality. We've been at ladies nights, steak frys, summer outings, etc. and received a warm reception as a new comer into your club activities. Thank you to all of you now more than ever before, you really get to feel the true meaning of the phrase: "It's Great To Be A Lion."

Right now it is also fitting and proper to say a public "Thank You" to Governor Tom Thorson for his guidance and direction during the past months. Those early morning calls to him with my questions have always gotten an answer to my concerns at the time. I know I can't "fit into his shoes," but I will do the best possible job for the Lions/Lioness in District 27B-1 that I can with the gifts that God has given me. Thanks again Governor Tom and I'll possibly call on you many times during the coming year.

I know many clubs are involved right now with their summer activities and community affairs. Have Fun – Work Hard – Promote Lionism – right now is really a good time to ask that fellow or gal to help you in the Lions mission "We Serve." Remember, more hands make work easier for everyone! I know, we now have a membership chairman and committee in every club, but, Membership Is Everybody's Business. And, we can always use more good Lions in 27B-1!!

Hope to see many happy Lion/Lioness faces in St. Louis. Have fun in whatever you do and remember our motto –

WE SERVE

Yours in Lionism

Leon Voigt

Convention – 1990

Our District Convention will be Nov. 9, 10, 11 at the Heidel House Resort and Conference Center. The Green Lake Lions are planning a super time for all Lions and Lioness at this deluxe facility. Make your plans to set aside this week-end and learn more about Lionism and enjoy the fellowship of Lions from throughout our district. Heidel House has an indoor pool, (bring the kids) sauna, whirlpool, game room, and fitness room. These are open from 7:00 a.m. to 10:00 p.m. They also have live entertainment on weekends in the Sandstone Lounge and the Piano Bar. They are offering a special convention rate of $49.00. There are 140 guest rooms, including suites, and deluxe lakeview rooms.

Now that is less rooms than we had at the Holiday Inn in Manitowoc last year, so make your reservations now and don't be disappointed if you can't get into convention headquarters later on. More information will be coming later on from the Green Lake Lions in regard to other motels and housing facilities. The Heidel House number is (414) 294-3344 or 1-800-444-2812. If you call them, tell them you're reserving a room from the Lions block.

–Other Convention Info –

Many district items will be voted on at the convention on Saturday, November 10th.

1. Resolution – Any club or member can submit a resolution to be voted on. It must be submitted 60 days prior to the convention to the Resolutions Committee or the District Governor.
2. District Governor 1991-92 – Candidate applications must be in 30 days prior to the convention.
3. Convention Host City 1991 – Any club in Region 3 is eligible to host this. Deadline is 30 days prior to the convention.
4. Bowling Host City 1991 – Any club in Region 4 is eligible to host this. Deadline for this application is September 1st. For more info on this contact the District Bowling Chairman Pat Harder.
5. Peace Poster Contest – See a separate article in this newsletter.
6. District Pin Designs – Get your "thinking cap" on and submit a design for next year's pin. A $50.00 Savings Bond can be yours if your design is accepted for 1991. For more info contact District Pin Chairman John W. Damrow.

Cabinet Meeting

Our first cabinet meeting of the 1990-91 Lionistic year will be Sunday afternoon, July 29, at 1:30 at the Spot Supper Club, 301 Watson (Main) Street, Ripon. All cabinet members are requested to attend and you'll be getting more information after I get back from the St. Louis Convention.

Region Chairman Earl Buchholz and his wife Rose are planning some interesting activities for the ladies that day. (Earl, don't make it too good or some of the Lions will want to join them.)

Just so you can plan for the future – the second meeting will be Sunday, November 11th at the Heidel House, Green Lake.

The third meeting is a Joint Meeting with B-2. It is scheduled for Sunday afternoon, February 17th at the Columbus Club in Appleton.

The fourth meeting is Sunday, April 7th at the the Millhome Supper Club, Kiel.

Planning Your Year

Many times during the year the Lions monthly program chairman is at a loss for a speaker for your regular monthly Lions meeting. Why not contact some of our committee chairmen that are versed in all aspects of the entire Lions program. You'll find them all listed in this newsletter towards the back. Many of these chairman are Past District Governors and have a wealth of information and experience that can be passed on to your club members. Don't be afraid to ask them – they're all eager and willing to help you in your Lions program.

When was the last time you had some one talk to you about LCIF, Diabetes, Wis. Lions Foundation, Sight Conservation, Leader Dog, Hearing, or Drug Awareness? All are important Lions functions and just maybe some of your newer members don't even know that Lions collect used eye glasses and used hearing aids. Information is a vital cog in everything we do in normal life – and a well informed Lion is always a better Lion. Again, use these resource people all you can – your club will be better because of it.

Secretary's Corner

Now this is only for the Club Secretary – nobody else is allowed to read it!!

Your July M & A report should be mailed to your NEW District Governor, Region Chairman, and Zone Chairman. There's a directory in this newsletter edition so you check to see where yours goes. Also, as is noted elsewhere, include a note of upcoming club activities. All M & A reports will be complete and accurate this year because we had a tremendous attendance on our four (4) secretary seminars held throughout the district this spring. But, be sure to check them over once more before you mail 'em. Make sure you have your % figures in place, because your Zone Chairman cannot submit his report without your complete report. SECRETARY'S RESOLUTION – "All M & A's will be mailed by the 1st of the month." – So, district officers will have them by the 5th, so, they can get their reports out.

And, again, remember to send them to the new district officers – any secretary that goofs up gets "Fifty Lashes With A Wet Noodle."

USA/Canada Forum

This leadership forum is now in its 14th year and is open to all active Lion members. This year it will be held on September 20-22 at Nashville, Tennessee. It is limited to 3,000 registrations on a first come basis. Cost is $115.00 per registrant.

Seminars scheduled are as follows:

- Membership – A Continuing Challenge
- Leadership – On your way to Club President
- The Fine I's of Lionism
- Solving Those Common Club Problems
- Your Club's Reflections, Inside - Outside
- Lionism and the Law
- Lioness – Still Growing
- How To Draw a Crowd
- L.C.T.F. at Home and Abroad
- Entering District Service
- How To Say It
- What We Do and How
- Club Past Presidents
- Eye Banks – Involvement For All
- How To Communicate – Within The Club

Couldn't some one in your club get an awful lot of good by attending? May be that some one could be you – or some Past President in your club?

Contact R.C. Bob Showers or myself for Registration Forms. Here's a golden opportunity to enjoy the fellowship of Lions from all parts of the United States and Canada.

Peace Poster Contest

Another great way for your Lions/Lioness club to get involved in the community! This is the 3rd year of the contest and our district has had very poor participation up to now. Let's change that!

Why don't you use the form below and order at least one kit for a school in your community? This contest is open to students age 11, 12, or 13. Each club in the district will be eligible to submit one poster for district competition at the convention at Green Lake on November 9th, 10th, and 11th. The district winners will be selected at that time and go on to enter our Wisconsin Multiple District competition. We could have a real nice display in November if each of our clubs starts working on it now. Club Presidents – Why not appoint a 3 or 4 man/lady committee to take charge? You'll be pleasantly surprised how much talent we have in those youngsters out there! Both public and parochial schools can compete. It isn't a big investment on the club level and can really work wonderful P.R. in your community.

District Bowling

Many requests have been coming to me in regard to our district bowling tournament. Eldorado and Rosendale are hosting it this year. It will be at Brenner's Bowl in Eldorado. Many of you will remember the good time we had in Eldorado the last time they hosted when the club was only one year old. For a new club, they did a terrific job and I'm sure this year will be no exception. The dates are October 6 and 7, October 13 and 14, October 20 and 21, October 27 and 28, and November 3 and 4. The two clubs are sharing the duties and responsibilities and you'll be getting more information from them and I'll report more in the August newsletter. In the meantime, if you have any questions, contact Past President Bruce Henning or Lioness President Karen at 414-872-2955.

Most of us can forgive and forget; we just don't want the other person to forget that we forgave.

Dear Lions and Lioness:

"Time flies when you're having fun!" You've all heard that before, I'm sure, and it surely applies to me as well. Seems like I just wrote to you yesterday, but a lot has also happened in the last 30 days.

The St. Louis International Convention was truly a memorable event. Both Chris and I enjoyed the meetings (prior to and during the convention) and the fellowship with our other Wisconsin Governors and their partners in service. We came away from St. Louis with the feeling that Lionism is truly International - From the magnificent parade to the comradery of Lions from every corner of the globe. You hear of places like Bangladesh, Sri Lanka, Zambia, and others and talk with Lions and find our common goal of "WE SERVE" is just as true there as it is in Omro, Cleveland, Montello, or any other place in B1.

The Rosendale/Eldorado Lions Clubs have some fun-filled weekends in store for you on the weekends in October and November. That may sound like a long way off, but get your reservation in now - at least before September 22 and take them up on that "Early Bird Special." Make 'em "put their money where their mouth is"!

Be sure to get your reservation form for the District Convention sent back to the Green Lake Lions. The last page is your invitation to join them on November 9-11. Make your own reservations for rooms off of the Convention Motel sheet - take your pick. Send in an ad for the convention booklet, too and let Green Lake know they have Lion supporters throughout the district. Our goal is to have 100% of the clubs represented at the District Convention. Each registration adds two (2) points to your District Club Contest totals automatically. Make your plans to attend because Green Lake is making plans for a great convention for you. More information will be forthcoming in September and October Newsletters.

In order for your clubs to start planning, we're going to have a Parade of checks at our District Convention. Many of you can't get away to go to the State Convention in May. Bring your checks to Green Lake and we'll have all the Committee Chairmen at the convention and you can give your donation to them in person.

Finally, August is the month to get in all your plans so you can start out September with a big bang. Your members are ready, willing, and able to make 1990 the year your club will always remember. Have fun the rest of the month with your summer activities.

Yours In Lionism

Vic Voigt

Lions of 27B1,

Being the District Leo Club Chairman for 27B1, I am contacting all clubs to promote the growth and development of the Leo Club program.

We, as a district, will be promoting through Leo Clubs the opportunity for young adults to develop leadership abilities through cooperation with other Leos and through service to the community.

Your Lions Club can plant seeds for the future by introducing young people to the rewards of community service and developing tomorrow's leadership. Leo Clubs improve the effectiveness of a Lions Clubs service to people by joining in activities. Leos with their own Community initiatives contribute to the good reputation and image of Lionism. Also Leos, if sons or daughters of Lions or Lionesses, can make club involvement a "family affair." What better way to grow and develope dedicated future Lions and Lionesses.

I am asking that all club presidents of 27B1 fill out the form on the bottom and return to me within the next two weeks. Remember when choosing a Leo Club Advisor for your club, the advisors leadership is often decisive in the success or failure of the Leo Club. He or she should be a dedicated Lion who is sincerely interested in working with youth. Also two other Lions should be appointed with the advisor to form a Leo Advisory Committee.

Yours in Lionism,

Dan Lutz

SECRETARY'S CORNER

Hey - Fellow Lion Secretarys - Great Job!!! I don't think anybody sent their M&A to our past governor. I'm still missing a few yet, but I'm sure the rest wil be in this week. Hats off to Zone Chairmen Bob Reif, Greg Kreft, John Damrow, Eugene Stoeckigt, Gerald Wagner, and Mike Konen. All of their clubs have reported and now they can get their reports in, too. Generally the M&A's were complete - in some cases some forgot to list the per cent (%) of attendance. Look 'em over one last time before you seal the envelope and insert whatever you missed.

Keep up the good work! Your club is depending on you! Another way you can serve your fellow man'

TEMPORAL BONE BANK

Everyone knows we collect used eye glasses. Right? Does everyone know we also collect used hearing aids? Not only hearing aids, but used batteries, too. Not all of these are useable or repairable. The unusable ones are returned to the wholesale supplier for a cash credit. So, keep up with those collections for the good of the program. Really, the Hearing Aid Bank Program is slowly gathering steam.

Equipment has been purchased for a research project to find the best way to prevent hearing loss in children born with a cleft palate. This project requires computer controlled equipment to test eustachian tube functioning. The cost of this equipment is about $15,000. The funds for this purchase were borrowed and must be repaid. To date District 27-A1 has donated $2,000. Where is our donation? Total donations from 27-B1 for 1989-90 were $335.

Also a Portable Brainstem Evoked Response Unit is needed to permit the detecting of hearing loss in new born infants and to detect and monitor hearing loss in the very young.

Funding needs for the operation of the Hearing Center and Temporal Bone Bank for 1990 are about $42,800. Of that figure approximately $20,000 is provided by the Medical College of Milwaukee. What about the balance? Laboratory supplies, equipment service and repair, education, and training are all necessary to help the program here in the state of Wisconsin. If you or your club would like more information or a speaker on the subject, contact our District Hearing and Speech Chairman, Clem Schoenborn, Jr. (414)726-4645.

We are pleased to announce the next workshop date for the "Skills for Adolescence" program will be September 24, 25, and 26, 1990. The workshop will be held at Wisconsin Lions Camp.

The Lions-Quest "Skills for Adolescence" program helps young people deal with the challenges of our changing world. This truly comprehensive program establishes a supportive partnership between parents, the school,and members of the community. It helps students develop the positive social behaviors of self-discipline, responsibility, good judgement, and the ability to get along with others while establishing commitments to the home, school , and community.

The program emphasizes a strong "No use" philosophy for drugs and teaches youth adolescents specific strategies for saying "No" to drugs and "Yes" to positive, healthy living. In addition, the program emphasizes service learning. Students learn important leadership skills by organizing and carrying out school and community projects that offer service to others. Given the opportunity to spend time with the elderly or tutor younger children as a service project, young adolescents experience how they can make an important contribution to the community. Studies show students who fell good about themselves are happier at home, are less likely to use alcohol or other drugs, and are more successful in school.

Learning experiences actively involve the students and their families. In the classroom, students engage in group work, discussions, and reading and writing assignments. Families are involved through shared homework assignments and parten material that inform the family about the skills and concepts presentations in the classroom.

"Skills for Adolescence" is a 6-8 grade program. The cost is $895.00 this includes tuition, meals, facility, room and board, all program guides for the instructor and one set of classroom materials (26 copies of 3 different books.) If your school is already certified, no material order is required and the cost of the training is $375.00 per person. For further information and workshop registration forms contact Wisconsin Lions Foundation, 2715 Post road, Stevens Point, WI 54481 or call (715) 341-2277 ask for Joe Desch or Nancy Erickson.

PEACE POSTER CONTEST

Last month's newsletter had a form to order your poster kits from Lions International. If you missed ordering yours, you still have time now before the schools start next month. If you need a form and don't have last month's newsletter, contact me and I'll get you another. I've heard some really positive remarks from school art departments - Why don't you suggest it in your neighborhood school? Get a committee on it right now, or do it yourself - not much work, but your area 11,12, and 13 year olds will have a great time working on it. Maybe you'll even get their parents to join Lions and help your club in their other projects.

If you noticed the DG's Schedule, you noticed "October 19 — Brillion Lions." Well, there's more to it than that. The Brillion Lions and our District are having a "Tribute to Edward S. Eick, P.I.D." Night. — It will be at Michael's Brillion Inn and our guest speaker will be William L. "Bill" Biggs, President, Lions Club International. Lion Edward was DG 45 years ago and International Director 25 years ago. He has over 50 years of perfect attendance. A formal invitation for you and your club will be forthcoming from this office.

USA/CANADA FORUM

Last call for registrations!!! This leadership forum is September 20-22 at Nashville, Tennesse. So far, our district only has six (6) registrations. Cost for registration is only $115.00. Why couldn't your club make an investment in one of your members - president, past president, secretary, past secretary, any member of your board of directors. With registrations on a first come basis, there are still a few openings at this date. Contact Region Chairman Bob Showers or myself for registration forms.

DISTRICT CLUB CONTEST

Contest begins September 1 and ends April 30. All clubs in the District are automatically entered in the contest. The top three clubs in points will be declared the winners and receive an award. Duplicate prizes will be awarded in case of a tie.

LIONS-QUEST
WORKSHOP UPDATE
SPRING/SUMMER 1990

We are pleased to announce the next workshop date for the "Skills for Growing" program will be October 1, 2 and 3, 1990. The workshop will be held at Wisconsin Lions Camp.

"Skills for Growing" is a comprehensive program for grades K-5 that brings together parents, educators, and community leaders to teach children important life and citizenship skills within a caring and consistent environment. The program helps children develop the skils that lead to:
* Self-discipline *Responsibliity *Good Judgement *Getting along with others

The program provides detailed lesson plans and materials for an entire year for each grade level, K-5. All the lessons are designed to complement the tandard curriculum, offering a variety of ways to teach and reinforce social and academic skills.

Lions-Quest "Skills for Growing" also helps young people develop positive relationships and commitments to their families, schools, peers, and communities, including a commitment to lead healthy, drug-free lives.

"Skills for Growing" promotes three outcomes emphasized by the U.S. Department of Education (1988) as central to effective drug education curricula: knowledge about drugs and their effects, values that favor a sense of responsibility to oneself and others, and actions to take in resisting negative influences and saying "No" to alcohol and other drugs.

This workshop uses an implementation team approach. A minimum implementation team consists of a principal (or other key building administrator) and two teaching staff members. The cost for a team is $1,275.00 this includes tuition, meals, facility, room and board, all program guides for the administrator and teacher and two sets of classroom materials (2 copies). The cost for additional teaching staff members is $375.00 per person. For additional information and workshop registration forms contact Wisconsin Lions Foundation, 2715 Post Road, Stevens Point, WI 54481 or call (715)-341-2277 and ask for Joe Desch or Nancy Erickson.

September Newsletter Vol. 1 No. 3

Dear Lions and Lioness:

"BACK TO SCHOOL!! - VACATION IS OVER!!" We all heard that as kids - Right? Now it's back to Lions business after all those corn roasts, steak frys, etc. Hope everyone had a very enjoyable summer whatever it was - fishing, traveling, relaxing at a cottage, or working with a fellow Lion/Lioness on a special project or a fund raiser. There were a lot of 'em going on and I managed to get to a few. Hope you all made a little money in the process to give back to your community in one form or otherand have some to donate to all Lions sponsored projects also. There are some sizeable amounts donated yes, but let's support all projects in Lions even if it's only a dollar or two per member. Remember, it's not the amount, but the thought in back of it that counts. We are going to have a Parade Of Checks at the District Convention in Green Lake on November 10th. Get your Board of Directors together now and budget your amounts for your contributions. All District Chairmen will be there, so you can give it directly to them and not wonder who to send it to later in the year.

Talking about the District Convention - have you made your reservation for that week-end of November 9-11? Motel reservations are made directly with your desired motel and convention registration is made with the Green Lake Lions Club. The back page of this newsletter has the Green Lake Convention registration. A listing of motels and their phone numbers can also be found in this newsletter. Don't miss out on one of the most important functions in your district this year. Take care of it TODAY!!

The bills for all Lions member dues have been mailed. Great job so far Lions! 83 % of the clubs have paid their International Dues and 61 % of the clubs have paid their State and District Dues. I'm sure when you get back into more regular meetings and business this dues item will be one of the first items you'll take care of in September. Remember, the dues can be paid without the approval of the board or the members.

October is just around the corner - make plans for World Service Day. Remember, what you possibly do on that one day will be remembered all year long. Yes, October is also Membership & Growth Month. Our goal for the year is to increase membership by 75 in the district. Get a member now - the more hands we have will make our Lions motto "WE SERVE" easier to fulfill. STAY HEALTHY, STAY HAPPY, WORK HARD, & HAVE FUN....

Yours in Lionism

LIONS CAMP WORK DAY

On Saturday, October 27th will be genuine work day for things that must be done prior to bad weather and winter. This is a notice far enough in advance, so you can plan accordingly. Whatever your trade, they can use you - and if you donot have a trade, they can use you anyway. Why not get a car-load of Lions together and spend a Saturday working with fellow Lions. There's a party on Friday night if you want to come early. In either case, please contact P.D.G Milton Wood at Ripon 414-748-2737. They would like to know how many to plan for. Sounds like a good time - heard they're going to put on a roof too. If you're afraid of heights, maybe you could carry shingles or pick up the nails that P.D.G. Milt throws away because the point was on the wrong end.

(A special personal greeting to Lions Lutzke and Urbanek who transfered within our district from the Reedsville and Manitowoc Clubs respectively.)

Secretary's Corner

Great Job Guys & Gals - Most of the M & A's were in by the first of the month. The rest followed shortly thereafter. At last count I believe there are only two missing. 1. Neshkoro
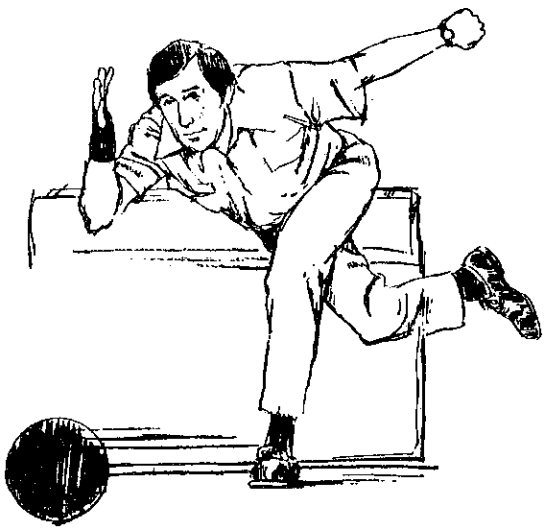
2. Butte Des Morts (tie)
   Oxford (tie)
4. Two Rivers
5. Ripon

6-14 A nice cross-section of large and small clubs - will list as time goes on.

Note: Remind your president to get the delegates lined up for the Convention.



Look For The Bowling Entry Blank in this newsletter. Eldorado is waiting for you. Remember - a free drink if you enter before SEPTEMBER 22nd.

The Lower You Are On The Company's organizational chart, the more you'll be missed if you don't show up for work.

Grass grows fastest during warm, damp weather - and when your mower is on the blink

THE INVITATIONS ARE OUT - WHO WILL COME??

27B - 1 and the Brillion Lions Club have extended this special invitation to honor one of our long time patriarchs in Lionism - P.I.D. Edward S. Eick - a friend to many and a perannual worker for humnitarian services for the past 50 years. If you don't have your reservation in yet, fill out the form below and mail it to Secretary Dale Nies of the Brillion Lions. Many times in our Lions Magazine we read about the travels of our International Lions President. Well, our New International President, William L. "Bill" Biggs is traveling to Wisconsin - right in our own midst. It's been about 16 years since he spoke at our district convention, so let's give him a true "Wisconsin Welcome" as he returns for this important "Tribute" night.

1989-90 - LEADER DOGS For The BLIND - 1989-90

Hats off to the following Zones and Zone Chairmen: Lions Greg Kreft - Region 1, Zone 3; Chuck Taylor - Region 4, Zone 1; John Damrow - Region 2, Zone 1; Dennis Prochnow - Region 4, Zone 3; Lawrence Pfaffenroth - Region 3, Zone 3; David Petrie - Region 1, Zone 1; Tony Piencikowski - Region 3, Zone 2; and Pat Champeau - Region 3, Zone 4 for a 100% Zone. Two of our Region Chairman missed 100% by only one club. Six Lions Clubs and two Lioness Clubs failed to make the list.

Statewide our District 27 B-1 edged out District 27 A-2 by $9.00 for 2nd high in contributions to the Leader Dog Program. Fifteen Leader Dogs came into Wisconsin during the 1989-90 year. Each team cost over $9000.00 - with not one dollar cost to the individual concerned - all through the help of Lions contributions. Wisconsin contributed $92,331.50 to the program during the year.

When your club is developing your 1990-91 budget, please consider the Leader Dog Program. It is a very worthy Wisconsin Lions sponsored cause. Hopefully each club can see their way to give just a little more this year. As we all know the costs of the operations continue to increase. To those few clubs that didn't contribute last year - why don't you join your fellow Lions in support of Leader Dogs? It just might make some blind person a more useful citizen in society. Let us all work to make District 27 B-1 a 100% district this year.

Glenn Murty, P.D.G.
27 B-1 Leader Dog Chairman

Governor's Note:

Christine & myself had the pleasure of visiting the Leader Dog School this past month. It was a most memorable experience. True, the buildings and facilities are of utmost importance for training dogs to work with the blind. But, More important is the dedication and thoughtfullness of the personell that are working with the dogs and the blind to accomplish what is necessary to complete the training that is necessary to help these blind individuals.

If each Lion in District 27 B-1 only had the opportunity that we had as we were blindfolded and walked around the square with the dog & his trainer!! We are very fortunate to have our sight - some of these students would possibly give everything to have their sight back. Now with their dog they can lead usefull lives as we do.

We are having a Leader Dog representative and his dog "Aero" (from Tempe, Arizona) at our district convention at Green lake.

See you there
D.G. Vic

October Newsletter Vol. 1 No. 4

Dear Lions & Lioness:

October's Bright Blue Weather - - Great!! Isn't It?? One day it's 80 degrees and the next day it's 30 degrees. Guess that's what puts the color and flavor on those apples we all enjoy in the fall of the year.

October is also a month of flavor and color in Lionism. Certainly a wide range of things to do for Lions & Lioness in our district. World Service Day has to put more enjoyment in the hearts of Lions/Lioness knowing that we're helping some one less fortunate than you and I are. You don't have to look very far in each of our communities to find someone that could use a helping hand. Lions/Lioness - Let's do it!!

October is also designated as one of our Membership Growth Months. Just ASK that fellow or gal down the street to help you in your Lions mission and ASK them to join your club. Remember, more hands working on the same project makes work easier and a lot more fun. At one time our district had the largest membership in the State of Wisconsin. We are #2 right now. Let's start thinking like Avis in the car rental business -- "We Try A Little Harder" - ASK and get more members and we'll be #1 again where we belong.

Planning for our District Convention next month is well underway. The Green Lake Lions are "rolling out the red carpet" for us on November 9 - 11th. If you haven't made your hotel/motel reservations yet, please do so now - the list with their telephone numbers can be found elsewhere in this newsletter. Also, a preliminary program with a "bird's eye view" of the convention can also be found in these pages - look for it. The delegate and alternate voting cards have been mailed to all the clubs. Get your cards out to your delegates and mail your advance credential certificate form back to Cabinet Secretary Paul Schmid. Remember, our goal is to have 100% of the clubs at the convention. Send your registration (last page of newsletter) form to Green Lake. They told me the first 300 reservations eat at the Noon Luncheon and Evening Banquet. Our parade of checks will be on Saturday noon. Lion sponsored projects are: Wisconsin Lions Foundation, Lions Clubs International Foundation, Leader Dog, Fight For Sight, Diabetes, Youth Exchange, and Temporal Bone Bank. Get your board of directors to approve any or all of these contributions this month and bring your checks to the convention.

Work Hard - Play Hard

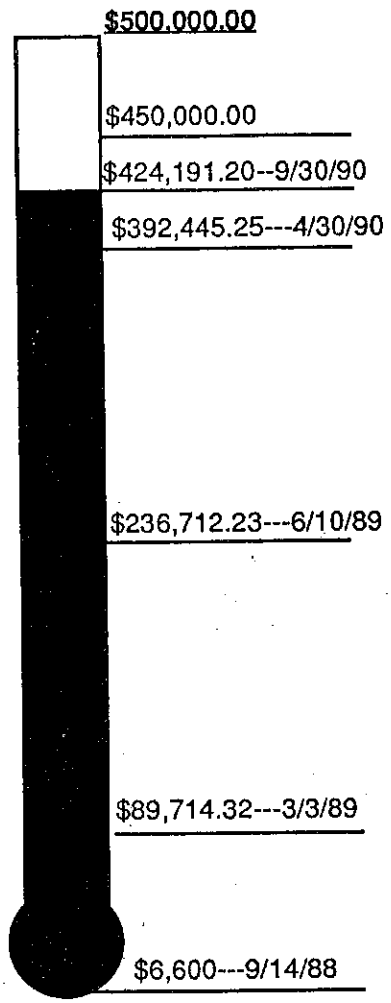
WISCONSIN LIONS EYE RESEARCH LABORATORIES



The WISCONSIN LIONS EYE RESEARCH LABORATORIES are very near to becoming a reality. Our Lions of Wisconsin set a goal back in 1988 to raise $500,000.00 towards this important project. Yes, according to the graph on the left, we have either donated or pledged more than $424,000.00 up to the present time. Where do we stand here in District 27 - B1? 68% of the Lions Clubs in our district have either donated or pledged for this facility. 60% of our Lioness Clubs have donated. Numerous individuals and businesses have seen fit to join in this "Fight For Sight" project. 26 of our clubs have pledged $50.00 or more per member. A really great showing so far, but with a little more support this project could be completed before the end of the year. One of the items in the District Club Contest is a donation for "Fight For Sight". There is still time for your club to become a financial supporter of this new Wisconsin Lions Eye Research Laboratory. Individual gold plates on a plaque will list all major donor clubs which have given $50.00 or more per member. Another plaque will list all clubs and personal donations over the amount of $50.00.

In this 1990 - 1991 Lions year "Sight First" should be foremost in our minds with all we think and do. What a great impact we could have if all clubs participated in this Lion-Identified project!! Under the Lionistic banner, we have the potential of becoming the leading organization of the world in the fight against blindness. The combination of people and facilities can bring about significant progress in the prevention and treatment of blinding disorders. New cures and new treatment may be the results of the work that is carried on in the new WISCONSIN LIONS EYE RESEARCH LABORATORIES. Won't you and your club join the Lions of the world in the fight against blindness?????

SECRETARY'S CORNER

I've just got to be working with the best group of secretarys any District Governor could have. Last month I got the report back from Lions International and 100% of the reports were in - Wonderful!! Right now there is just a small handful that are not in for the month of September - I know they're coming. Last month I promised you a breakdown on the club contest so you know how you're doing.

5. Appleton Noon Lions
6. Fond du Lac Noon
7. Kiel Lions
8. New Holstein Lions
9. Wild Rose Lions

All clubs are doing good, but when you add a new member (10 points) that gives you a big boost. Enclosed in this issue is a sheet "Prospective New Members". You may photo copy this and turn it over to your Membership Chairman to get the members to fill out. Go To It - Good Luck!!!

Hey - Lions & Lioness - We had a great time the opening day of the District Bowling Tournament. There's an entry blank somewhere in this newsletter - they still have openings in some of the shifts. Give the Hennings a call at (414) 872 -2955. The tournament closes on November 4th. There are lots of prizes still to be won. Carol, you did a good job of scoring - even could score a 300. (not for me tho)

EXPLANATION

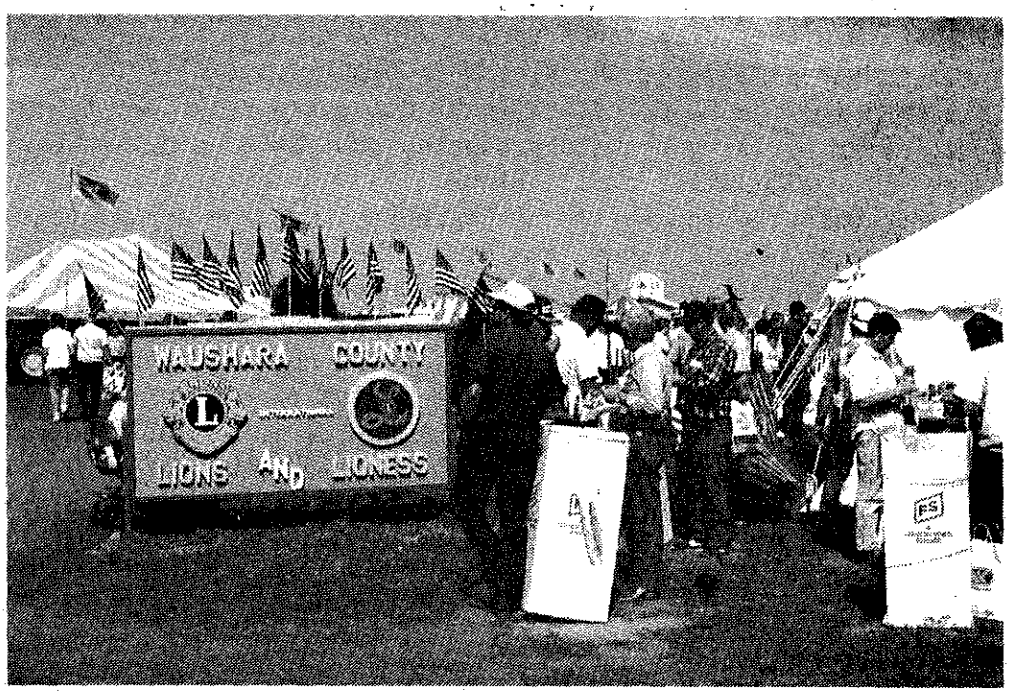
The Wisconsin Council of Governors are asking that you read the letter in this issue about our Estonian friend that we met at the International Convention in St. Louis. Most of us cannot even visualize going to the store and finding empty shelves (not since the days of World War II.) It isn't how much you send, but the thought of helping people less fortunate than you and I. Give it some thought and consideration in your club. Hand's are reaching across the sea and they say "Thank You Very Much".

WORD TO THE WISE

Lion Presidents and Lioness Presidents - Please check with the club treasurer and see if he/she is current with your payments to Lions Clubs Internation. At the present time clubs in our district owe nearly $6000.00 to International. That really isn't that bad, but, the bad part is that some of these accounts are 90 and 120 days old. I hope you pay your local bills quicker than that. Locally, it makes just good P.R. to pay your obligations on time. Nuf said - If the shoe fits-wear it.

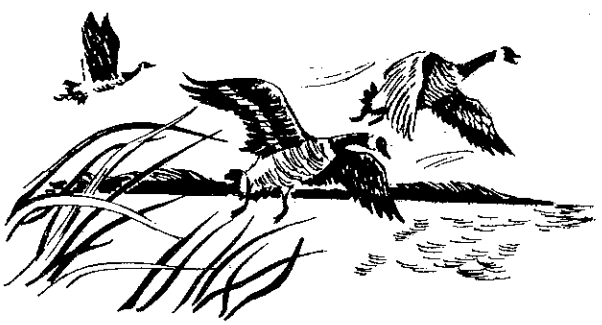
PEACE POSTER CONTEST

Progress report - going just great!! We should have a good selection - I know one club that has three(3) schools participating. The instructions tell that they must be in by Dec. 1st. We need them by November 9th (I originally said November 1.) so that the convention delegates can vote and select the best one.



FARM PROGRESS DAYS - 1990

Each year Farm Progress Days is conducted someplace in the state of Wisconsin. This annual event attracts people from throughout the state and some surrounding states. Attendance figures estimated that upwards of 130,000 people attended this three day event. When there are that many people involved, they all want to eat. Lions and Lioness of Waushara County banded to-gether and answered the call to serve. They operated one of the food stands out of the large tents. All of the clubs of Charles Taylor's Zone (Region 4 - Zone 1) participated in one form or another. They were the following Lions Clubs: Coloma, Hancock, Plainfield, Poy Sippi, Redgranite, Wautoma, and Wild Rose along with the Wild Rose Lioness Club. The beautiful sign out in front was made specially for this event. Gary Williams of the Wild Rose Lions was general chairman of the affair and had excellent help from all the clubs in one form or other. I know they made a little money and I'm sure they had a good time all working to-gether. In 1993, Farm Progress Days will again return to our district. That's three years away, but I understand that Calumet County Lions are thinking along the same lines. Atta Way To Go!!!!!



Dear Lions, Lioness, and Leos of Wisconsin,

As you are all aware, many of the Wisconsin Lionistic family joined the Lions of the world in St. Louis for the 73rd International Convention. It was truly a "world-class" event and the beginning of a year which is being administered by Wisconsin's native son, International President William L. "Bill" Biggs.

Also associated with the International Convention was the annual four day seminar for the incoming Governors. During these seminars, the 1990-91 Council of Wis. Governors spent considerable time in a group of Governors which included the District Governor from Estonia. Estonia is a state or province of the USSR. While Lithuania, a sister state of Estonia and Latvia in western USSR, has been in the news headlines recently with its declaration of independence from USSR, all three states face a common problem - FOOD !

While food is affordable in that part of the world, it is not always available!!

With that thought in mind, the Wisconsin Council of Governors decided to embark on a NEW, statewide project. We are not asking for a lot, just a little consideration.

Most of us have never had to experience the sensation of going to the grocery store or supermarket and finding the shelves empty. This is not an uncommon occurrence in Estonia. In an effort to assist, we, the Wisconsin Council of Governors propose the following plan to help the people of Estonia.

If, club by club, the Lions family of Wisconsin would purchase unrefrigerated, canned goods - primarily meat products - and send packages of such directly to Estonia, we would be doing a tremendous service to a disadvantaged people!

We ask that as many Lion, Lioness, and Leo clubs in Wisconsin as possible send one or more of these packages to District Governor Anti in Estonia. Those that are sent within the next month should be available for distribution in time for the Holidays. The minimal tariffs or duty fees will be assumed by the Lions of Estonia.

The entire Council endorses this project, as evidenced by the accompanying picture of the Council with D.G. ANTI OIDSALU of Estonia. Further evidence of the commitment of the Council to this project is the fact that this plea will appear in all 10 District Newsletters as well as the "Wisconsin Lion".

PLEASE JOIN IN HELPING THE ESTONIANS !

Please note the following requests.

1.) Pack the canned goods securely in a cardboard box and wrap with heavy paper.
2.) Tape securely.
3.) Send the packages directly to DISTRICT GOVERNOR ANTI in Estonia. You may use the accompanying label.
4.) Fill out the blank in the bottom right hand corner of this page and send it to your District Governor (as this will be used for P.R. in the future).

We, the Council of Governors sincerely hope that you, the Lions family of Wisconsin will support this pet project of ours for our new friend, D.G. ANTI.

Not wanting any hard feelings - we are simply suggesting that the Lions of Wisconsin have a lot to gain for a relatively small amount of money and effort.

Do continue to have a successful and rewarding year in Lionism !

Sincerely,
The Wisconsin Council of Governors

WISCONSIN COMMITTEE FOR PREVENTION OF CHILD ABUSE

214 NORTH HAMILTON ☐ MADISON, WISCONSIN 53703 ☐ 608/256-3374

To: Lioness "Help Prevent Child Abuse" Leaders

Wisconsin State Journal,

Tuesday, September 25, 1990

■ **Baby death:** Cash bond was set at $80,000 Monday for a 33-year-old Waupan man accused of shaking his 6-month-old baby to death.

The child, Lisa Schaumberg, was found dead at her Waupan home last Thursday.

Her father, Allen Schaumberg, was charged with first-degree reckless homicide and physical abuse of a child.

The Dodge County district attorney's office said an autopsy showed the baby had a large amount of blood in her skull — the apparent result of severe shaking.

Do you know that

- child abuse is the second leading cause of death in infants under six months of age in the U.S.? (SIDS is first.)
- head trauma is the most common cause of permanent damage or death among infants and small children?
- 80% of deaths from head trauma in children under 2 are the result of nonaccidental shaking impact injury?
- the most common trigger for hard shaking of infants is inconsolable crying?
- one out of ten babies is "colicky"--has long spells of inconsolable crying?
- the number of deaths of children in Wisconsin reported as due to abuse or neglect was 10 in 1985, 15 in 1986, 23 in 1987 and 19 in 1988?

These sad facts come home to us once more with yet another report of a father shaking his infant daughter to death.

Pediatricians have been reporting shaking impact injuries of infants since 1974, yet many people are unaware that shaking an infant can be harmful. Some parents and caregivers who would never hit their children think nothing of giving them a good shaking.

You can help make sure that everyone who ever comes in contact with an infant knows the dangers of shaking and what to do instead when babies cry:

1. Enclosed is a sample brochure on shaking. Use the information in it to write a short article for your local newspaper or company newsletter.

2. More copies of the shaking brochure are available from the Wisconsin Committee for Prevention of Child Abuse. Call (608) 256-3374 to get enough to distribute to obsteticians' and pediatricians' offices, hospitals (to every new parent, if possible), public health and visiting nurse associations, etc.

3. Sponsor a babysitting clinic for teens to show them how to care for infants and small children. We can lend you a 10-minute video called "Shaken Infant Syndrome" to help get the message across.

4. 79 Ways to Calm a Crying Baby by Diana S. Greene is available for $5.95 from the Wisconsin Committee for Prevention of Child Abuse. Add it to the parenting resources at your library or get your hospital gift shop to stock it. Makes a great new baby present.

5. Encourage your members to reach out to parents under stress--offer to take care of the children for a while and let the parents relax from the constant responsibility of child care. Maybe your club could offer a regular weekly morning or afternoon of free child care to give parents a break they can plan on.

Dear Lions and Lioness:

After months of planning, the Green Lake Lions are ready to "roll out the red carpet" for the convention goers in District 27-B1. It all starts Friday night at the Heidel House Convention Center and they're inviting you and your fellow Lions/Lioness to take an active part in this wonderful week-end. Don't you miss it! Friday night is "Social and Fellowship Time"... You'll meet Lions/Lioness from Coloma to Two Rivers and all points in between.

Saturday is General Assembly and during that time everyone will hear Bob King, a sight impaired citizen tell of his experiences while camping each year at <u>your</u> Lions Camp. Saturday noon we'll have our "Parade of Checks" and Saturday afternoon is full of seminars - eleven of 'em to be exact - you pick out the ones you want - they're listed elsewhere in this issue. The afternoon is capped off with the delegates voting on five (5) different items including electing your new District Governor for 1991-92.

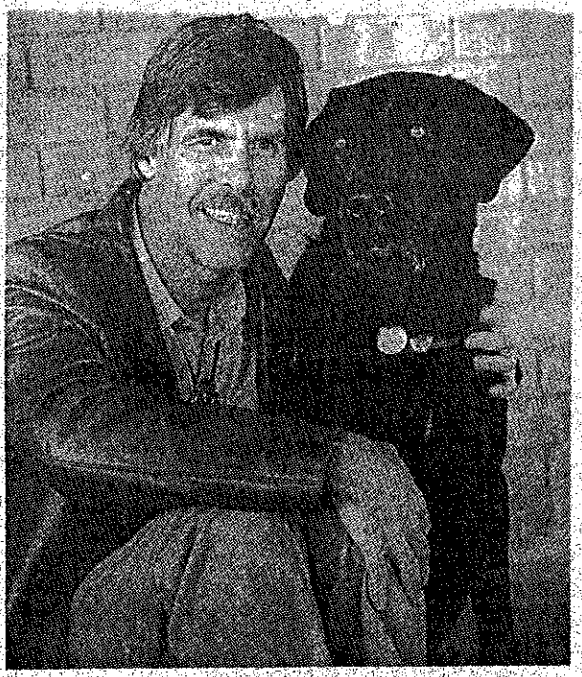
The Saturday night banquet is always a hi-light and this year is no exception. Our distinguished guest and speaker will be International Director W.W. "Bill" Webber from Canada. Don't miss his presentation! The evening will conclude with awards and presentations that everyone will remember a long time.

The final session will be Sunday morning after the brunch. This will be a short finale starting at 10 o'clock. It all adds up to a great Lion week-end.

Just a quick word about October's Membership Growth Month - Looks great - you'll find a list of 47 that joined us in the call "We Serve". And, a lot of M & A's are still coming in as I write this. All we hope for is the best when the final figures are tabulated - More hands in Lionism make all our jobs a little easier.

See you at Green Lake

Victor V. Voigt
District Governor



I would like to introduce you to Larry C. Colbert and his Leader Dog "Aero". Many of you will be able to meet him personally at the Green Lake District Convention. I want to give a little background about him as he will be spending three days with us this weekend. Larry was born with a rare eye disease (Retinitis Pigmentosa) and has overcome many obstacles and achieved lifetime goals. He graduated Magna Cum Laude from Arizona State University with a Bachelor of Science degree in Organizational Communication. He is an active Lion member and has held offices on the club, district, and state levels. He has received the International Presidents Certificate for Humanitarian Service, three District Governor's Outstanding Service Awards, and was chosen "Lion of the Year" in 1989 for his district. Larry and Aero have traveled thousands of miles since 1986 speaking at conventions, conducting corporate training seminars, and guest lecturing at Arizona State University. Larry is married and he and his wife, Nancie have two daughters - both attending college at the present time. His special interests include water sports, working on his antique cars, and putting the finishing touches on their new passive solar home that was designed and constructed by their entire family. You'll enjoy his Leader Dog seminars at 2:30 and 3:30 Saturday afternoon and just visiting with this outstanding Lion during free time at the convention.

Other Seminars on Saturday are:

1. Lioness - Children at Risk	2:30 P.M.	Lioness June Kitchen

The above Lions have recently passed from our midst. We are thankful for the service they have rendered in their respective clubs and know that they will be missed. Our sympathy is extended to their families, friends, and fellow Lions.

NECROLOGY SERVICE

It is requested that every club that has had a deceased member during the past year have a representative at the Saturday morning session at the convention to partake in the service. Some clubs have had more than one during the year and will need as many representatives as there were deceased members during the year. Our district chaplain has a program planned in memory of our departed Lions and Lioness.

+ +

CLUB BANNERS

We will again display the club banners around the walls of the Convention Center. So, bring yours along and let the district know that you're represented at this annual affair - you know that this is our 15th year of fellowship and learning more about our Lionistic world.

SORRY - I MISSED IT - - -

In the club activities report on the second page, I missed one - The Pickett Lions Club is having a Country Breakfast on Dec. 2nd at the Pickett Community Center. Serving will be from 10:00 A.M. to 2:00 P.M.

SIGHTFIRST

ATTENTION ALL CLUBS

There is a Federal Form #990 that all organizations that are exempt from income tax must file. With all Lions clubs being on a July 1st to June 30th fiscal year, this form is due November 15th. If you got yours in the mail, fine - fill it out and get it in. If you didn't get one, contact your nearest IRS office, or have your friendly accountant photocopy one for you. If your club is the sponsor of a Lioness Club, you must also include them on your report - they don't file a seperate one. For many of your clubs this is very simple to file because of the gross exemption listed on the form. But, it must be filed - there can be a $10.00 per day penalty for a filing a a late report.

Just a word to the wise - Nuf Said.

PUBLIC APOLOGY FROM THE D.G.

This past month the Brillion Lions Club and our District 27-B1 hosted a very successful "Tribute to Eddie Night" at Michaels Brillion Inn. Everything was real fine and the address by Lions President Bill Biggs was tremendous and will be remembered by those in attendance for a long time. But - yours truly did goof and I'm sorry for it. The Past District Governor's Organization in the state was very gracious and contributed their share to the evening by paying for head table centerpieces that added so much to the festivities of the night. I didnot acknowledge that fact that night. I am doubly embarrassed because I was handed a note during the evening with those facts on it. I'm sorry PDG'S - Your contribution to your fellow PDG Edward S. Eick's special celebration was appreciated. THANK YOU.

SECRETARY'S CORNER

"Everything's Coming Up Roses" - and if I could I'd give each one of you secretarys a great big red one - or a yellow one - Or whatever color you wanted. 100% of the M & A reports for last month in. This report is being made a little earlier than normal this month, so we do have a little time to get the October ones in yet. I must pass along a note I received from one of the Zone Chairman - I quote, "I am very pleased to say that this is a FIRST, all M & A's were in before the end of the month and I too have my reports in the mail by the end of the month. This shows it can be done, now all I have to do is have the clubs keep up the fine work."

Here's a breakdown of how the clubs stand in the top ten:

1. Rosendale Lions
2. Appleton Noon Lions
3. Kingston Lions
4. Two Rivers Lions
5. Berlin Lions
6. St. Peter Lions
7. Butte Des Morts Lions
8. Ripon Lions
9. New Holstein Lions
10. Plymouth Lions

That list is a little "Fruit Basket Upset" from last month. Rosendale is new this month and I'm sure those 8 new members this month helped them get there. Next month we could see a complete new list when I get my reports on bowling attendance, parade of checks, convention attendance, and delegate voting. Keep up the good work and hope to greet each of you at Green Lake.

To: All Lions, Lioness in 27-B1

Here it is December and looks as if Winter is with us - at least last Monday was a perfect example of what we can expect anytime in the months ahead. We were snowed in for two days - Eden Lions cancelled their meeting (we couldn't have gotten there either), but we did manage to get to the Wautoma Lions the next night. Christine was stranded at the hospital after working two - 8 hour shifts and sleeping there for the 3rd shift and then making it home the next day only to find she had to walk in from the road through the high snow banks in our yard. Hopefully we won't have too many cancellations in the months ahead, but club presidents and secretarys, please get in touch with me if something turns up out of the ordinary. (It was nice hearing from you, Jim.) I guess I'm considered to be pretty brave under road conditions, be it ice, snow, fog, or whatever. If at all possible, I'll keep your date as scheduled.

We have just completed a very sucessful District Convention this past month with a record number of registrants at the Heidel House in Green Lake. The Saturday night banquet was attended by an over capacity crowd of 308 Lions, Lioness, and guests. Our noon luncheon was just about as large with 291 plates being served. Before I go any further, I want to say a big "THANK YOU" to all who contributed in any way possible for this our 15th Annual Convention. For fear of missing someone, I won't mention any names, but all the way from registration to hospitality volunteers to necrology participants to seminar presenters to all attendants - You're the greatest - WE COULDN'T HAVE DONE IT WITH OUT YOU!! If your club wasn't present (and there wern't many missing), you were the loser.

Our District was especially honored to host our International Director, W.W."Bill" Webber and his wife Joan from Alberta, Canada at our convention. Their participation in all portions of our convention program was most gratifing and appreciated by everyone. We all were happy that they could be with us.

As we all make preparations to celebrate the birthday of the Christ Child in the coming days, may this holiday season be one of joy for you, your family, and your friends.

Yours in LIonism -

D. G. Vic & Christine

A fellow got a call in the middle of the night. He picked up the phone, listened, and said, "How should I know? That's 450 miles from here!" Then he slammed down the receiver.

"What was that all about?" his wife turned over and asked.

"I don't know," he said. "Some idiot wanted to know if the coast was clear."

Work alone?
(It's doubtful)

Travel alone?
(It might be lonely)

Go camping alone.....or fish alone?
(Could be dangerous) *(Who would you brag to)*

Dine alone?

Invite a friend
(Lions come..... from all walks of life)

Then WHY do YOU go to your Lions Club alone?

You can't be that much of a loner

An excellent way to ensure that the trip to your club meeting will not be lonely is to invite one or more individuals to become members. They will not only provide companionship, they will also strengthen your Lions club's capacity to answer human needs...in your own community and around the world. Make that special effort to bring in new Lions. Your commitment to membership growth will help your club reach *steady net gains annually.* So extend that invitation and never again will you be alone in your trip to club meetings.

To: Lions & Lioness of B1

May this year of 1991 be prosperous for each and everyone of you and may we all collectively work together in true Lions Spirit for all those who are less priviledged and blessed than what you and I are. This is our hope and prayer as we start the last half of our great Lionistic Year 1990 - 1991.

We all certainly have a great six months behind us so far - summer projects and fund raisers went well for the clubs, we took in 85 new members and 11 transfer members in those 6 months, we had a great convention at Green Lake with an enviable 1st Annual District Parade of Checks, and according to the December M & A's everyone had terrific Ladies Nights and Christmas Parties. Chris and I want to thank all the clubs for the kindness and hospitality extended to us in the District.

Yes, as the new year starts, it's nice to look back and "pat ourselves on the back", but more important, we should look ahead and resolve to do a better job in our clubs, on our fund raisers, and community service projects. We can never stop working for the kids, senior citizens, and all the under-priviledged in our Lions Universe.

We have January/February/March Membership Growth Months coming up. Ask a friend to join! Wisconsin Lions Foundation fiscal year ends March 31st. Has your club made their financial contribution? Don't forget the otherLions Projects - LCIF, Leader Dog, Diabetes, Temporal Bone Bank, Youth Exchange, and Fight for Sight. Remember, in this our "Sight First" year we want to conclude our Fight for Sight Project!!!

Stay Healthy & Happy
Yours In Lionism

Current Events

These are uneasy times is the history of the world. The Elkhart Lake Lions have voted to pay the dues of one of their members - Jacob Henchel. He is serving our country in Saudi Arabia at the present time. Thanks to Elkhart Lake for this gesture. With January 15th coming closer all the time, let's hope that our world leaders can find a peaceful solution to our current problems.

Zone Chairman
EUGENE A. STOECKIGT

Lion Eugene Stoeckigt, Zone Chairman in Region Two Zone Three passed away on Christmas morning, December 25th. He was born February 17, 1933 and graduated from Kiel High School in 1952. He married Jean Bender in 1955 and the couple operated the Stoeckigt Apple Orchard at Millersville until 1966, when they moved to Cleveland and operated the Stoeckigt Ball Room. "The Lord gave and the Lord taketh away, Blessed be the name of the Lord."

Listed above is a breakdown of the most recent report on our statewide Fight For Sight project. As you can see, we are only $54,000.00 away from our $500,000.00 goal. How do we "stack up" here in District 27-B1? Are we doing our fair share to make the eye research labortories a reality here in the State of Wisconsin? At first sight, it appears that we've done a good job. Right! Very Good... until we check the figures - 54 of our 75 Lions Clubs or 72% of our clubs supported this project. 12 of our 19 Lioness Clubs or 63% of our clubs supported this project. To all the clubs that didn't make a contribution - why don't you make a proposalto your Board of Directors and help along with this project? Donations run from $25.00 to $4000.00 per club. Maybe you could find some figure that your club would be comfortable with. Let's get behind the rest of the clubs and help them. If your club donated in 1989 or 1990, Will your budget allow another contribution in 1991? Thank you for your consideration - I hope to report by the target date in May that Lions uphold the motto "We Serve" and also say with their hearts "We Care".

ESTONIA FOOD PROJECT

As was reported in our October Newletter, the need for food products in the country of Estonia is great. Several of our clubs sent boxes, but they found it very costly and "overflowing" with red tape. Now the Lions of Finland will act as the conduit to Estonia. Food packages may be sent to: Lion Leo Lindblom P.D.G.
Marjaniemenranta 19B
00930 Helsinki, Finland
Fax: 358-0-333833
Home Phone: 011-358-0-333355

Mark Your Package -
FOODSTUFFS
TO BE FORWARDED BY THE FINNISH LIONS
TO LIONS CLUBS IN ESTONIA
FOR DISTRIBUTION TO THE NEEDY

Please notify P.D.G. Lindblom if you send items to him - also how many boxes or bags, approximate weight, and the number and kind of each item. This info will assist the Finnish Lions in verifying that all item were received and also expediting customs restrictions. Hopefully we can reach across the sea and help in this time of need to the people of Estonia.

Note The above program ran into another "snag"! Put another "HOLD" on the project for awhile.

Secretary's Corner

The holidays are over - now it's back to business. Some of the M & A's were a little slower in coming in this month. Seeing as you can't go out boating and do a little golfing and the better half doesn't make you clip lawn, what's wrong with spending a little time on you Lion reports? As far as our club contest is concerned, that's the easiest points your club can earn is to get that M & A filled out. True, every new member means an extra ten points - you get your new member and tell your president to get one too and then the rest of the members have to match you. Think about it... Here's the rating for the month of January.

1. Appleton Noon
2. Rosendale
3. Two Rivers
4. Kingston
5. St. Peter
6. Neenah
7. Elkhart Lake
8. Reedsville
9. New Holstein

WLF Report

As I stated earlier, The Wisconsin Lions Foundation fiscal year ends on March 31st. For years now our District 27-B1 has been 100% towards WLF contributions. That means that we have about two (2) months to get our job done. To date, 51 out of our 75 clubs have contributed. That figures out to 68%. Usually at this time of the year, we have some Zones in the district that are 100%. Right now we don't have a zone that is 100%. - - Who's going to be the first one? Six (6) zones only have one (1) club left to contribute. Get your checks to either of our WLF Directors or directly to the office at Stevens Point. Thanks for your help.

One of the four District Melvin Jones Fellows awards to be presented at the District Convention went to P.D.G. Clem Schoenborn,Jr. Lion Clem was not able to be at the Convention on Saturday, so D.G. Vic Voigt made the presentation at the Cleveland Lions Ladies Nite/ Christmas Party on December 20th.

One of President Biggs "Certificate of Appreciation" awards that W. W. Webber, International Director was to present at the convention went to P.D.G. Thomas Thorson. Due to illness Lion Thorson was not able to accept his award. This award was presented to P.D.G. Tom at the Zone Meeting in Menasha by D.G. Vic Voigt. (Sorry no picture.)

Your New Year's Resolution:

A Gift of Life

A moment of your time may mean a lifetime for someone else. While thousands of Americans' lives depend on an organ or tissue transplant, a serious nationwide shortage may keep them from getting the help they need.

Won't you be one of those special people who signs and carries an organ and tissue donor card? If you choose to do so, be sure to tell your family about it. It's that simple.

It's one New Year's resolution that's easy to keep.

February Newsletter Vol. 1 No. 8

To: District 27-B1 Lions & Lioness

Here we are in the middle of our January - February - March Growth Months. Elsewhere in this newsletter you'll find a list of twenty six (26) new members reported on our January M & A's. While some clubs are reporting nice gains in membership, these 26 members show an average of only one additional member for every three clubs. You'll remember after our October Membership Month, our District showed a ninety six (96) member increase, BUT, after taking off dropped members and deaths, we didn't gain a bit. This month, with one club showing a drop of nine (9) members, we've got to work a little harder. This is a nice challenge for our Membership Chairman and his/her committee in each and every club. However, remember, it took everyone pulling those oars on the Viking Ships of old to get the job done. We're all in the same boat - don't let the other guy/gal do all the rowing. I like to think that the person rowing the boat seldom has time to rock it. We can do it!!!

Look for the State Convention meal reservation form in this issue. The motel reservation form was in last months issue. Hope you sent yours in-Our club has our room acknowledgement back now for several weeks. At any rate, don't delay - get those reservations in to the La Crosse convention group today. Some motels are already filled. There are plenty of meals available, but the Mississippi River Boat cruise is filling up fast. With cold weather and snow around us now, the month of May may sound a long ways off, but it'll be here "sooner than you think".

How is your club doing in regard to contributing to Lions Projects? You'll find the Wisconsin Lions Foundation and the Leader Dog contributions report in some of the following pages. Days are getting short for Wisconsin Lions Foundations checks to come in. Why don't you make our hard working Foundation Directors Lion Milt Wood and Lion Herb Schneider feel good by taking care of this responsibility very shortly? How about within 30 days - sooner if possible? Leader Dog checks have a little longer time to be submitted. Our goal is for 100% club participation in 1990 - 91. Lion Leader Dog Chairman Glenn and I are counting on your support, We can't do it without YOU.

Finally, please remember our Servicemen and Women who are serving us thousands of miles away in Operation Desert Storm. Yes, their motto can be just as ours - "WE SERVE".

PEACE POSTER CONTEST

Yes, it was reported in the December newsletter that "Design #6 sponsored by the Montello Lions" was voted in our District's First Peace Poster Contest as the best of all those submitted. Now, as Paul Harvey would say - "For The Rest Of The Story".... The poster was submitted by Wendy Wegenke from Montello who is a student at Montello Public School. It was entered in state competition and received the top rating among those in the state. This month it will be among the semifinalist entries at Lions Clubs International. "Atta Way to go - Wendy" Congradulations from everyone in District B1 - hope you do well in further judging. We're all very proud of you.

March is Eye Donor Month - See the signed proclamation by Governor Tommy Thompson elsewhere in this newsletter. Just maybe you could promote this in your club next month - - give it a try.

Secretary's Corner

26 new members this month - that means that 260 points were distributed among the clubs that brought in those new Lion Cubs into our ranks. M & A's are all in with the exception of two. (I won't mention any names - I know they'll be in earlier next month.) As is mentioned elsewhere in this newsletter, get your treasurer to pay those dues right away. Also, two more months of membership recruitment can change your clubs placing among this group. Here's the standing for the month of February.

1. Appleton Noon
2. Kingston
3. Rosendale
4. Two Rivers
5. St. Peter
6. Berlin
6. Neenah
8. Wild Rose
9. New HOlstein
10. Larsen/Winchester

(No, I didn't make a mistake in that numbering - Berlin & Neenah are tie.)

W L F Report

HAT'S OFF to three Zone Chairman and all the clubs in their Zones. You have recorded 100% participation in your contributions to the Wisconsin Lions Foundation. Here they are:

1. Robert Reif Region 1 Zone 1
   Brillion — Sherwood
   Chilton — Stockbridge
   Hilbert
2. Gerald Wagner Region 3 Zone 1
   Appleton Eve. — Menasha
   Appleton Noon — Neenah
   Larsen Winch — Town of Menasha
3. James Panten Region 4 Zone 3
   Berlin — Markesan
   Green Lake — Neshkoro
   Kingston — Princeton

There are 4 more Zones that have only one club missing on their contribution. The Foundation's fiscal year ends on March 31st. The other ten zones will be lining up to see who will be the first and the last to the finish line on the last day of March. Please don't let it go till then. It's easier on everyone if it's taken care of now.
Another item on the Foundation will be found on the last page of the newsletter. It's all about the Birch-Sturm Fellowship - a commitment to the Wisconsin Lions Foundation Endowment Fund!!!

12 alternatives to lashing out at your kid.

When pressures build up, don't take it out on your kid. Try any or all of these alternatives:

1. Take five deep breaths. Remember **you** are the adult. . .
2. Close your eyes. Imagine you're hearing what your child is about to hear.
3. Count to 10. Better yet, 20.
4. Put your child in a time-out chair. (One time-out minute for each year of age.)
5. Think about why you are angry. Is it your child, or is your child a convenient target for your anger?
6. Phone a friend.
7. Take a walk (if someone can watch the children).
8. Take a hot bath. Or splash cold water on your face.
9. Hug a pillow.
10. Turn on some music. Maybe even sing along.
11. Get a second opinion. Discuss your situation with someone else.
12. Write for prevention information:

National Committee for Prevention of Child Abuse
Box 2866L, Chicago, IL 60690, or

Wisconsin Committee for Prevention of Child Abuse
214 N. Hamilton
Madison, WI 53703.

April is Child Abuse Prevention Month. We had a seminar at our November District Convention. Now videos, posters, newsletters, bulletins, books, etc. are all available for your Lions & Lioness clubs. Several seminars are upcoming in April and May. Contact the Madison office for more detailed information.

The forms for 100% President and 100% Secretary awards are in this months issue that goes to every President and every Secretary in the district. Save them , or, make a copy of them cause I"m sure you'll want them later on in the spring. I'm putting them in now so that all know what the requirements are. There shouldn't be any president or any secretary that wouldn't qualify for this. Look it over - what do you think?

Lions Pins

The Wisconsin Lions are looking for different designs for the third pin in the series of four. Designs for the upcoming series are to be in the shape of Wisconsin like our present "Fisherman" for 1990 and the new 1991 "Sailboat". You can submit either a winter or an autumn drawing of your choice. Maybe your idea will be just what everyone is looking for. Put on your thinking cap - contest deadline is March 15th. Send your entry to the State Lions Office. The above mentioned 1991 sailboat is here and your club can get as many as they want - just let your Zone Chairman know how many you want.

ALSO . . . . . .
The 1991 District pins have arrived - Pin Chairman John Damrow called and said they look real good. They will be available at the upcoming cabinet meeting and the District Cabinet will set the price at that time.

The semi-annual billing of state and district dues has been mailed to all the clubs. They are due to be paid by March 15th. However, if your club wants to earn some easy extra points, get your treasurer to pay them before March 1st. They have to be paid sometime, so you might as well pay them right away. Your membership number was taken off of your December M & A report. If there is any difference in member numbers, get in touch with me. International dues have also been sent out. The same holds true for them. Payment of dues DOES NOT require board action.

LEADER DOGS for the BLIND

As of January 31, 1991 We have received 1990-91 contributions from 40% of our clubs in 27 B-1 -better than last year at this time and mainly due to the Parade of Checks at our District Convention.

However, seven months of Governor Vic's year are now behind us - only five months are left. I am especially appealing to the one club in Region I; the two clubs in Region II (one Lions & one Lioness); and the three clubs in Region IV that did not support this worthy cause last year.

Remember Me?

Some people call me Old Glory, others call me the Star Spangled Banner, but whatever they call me, I am your flag, the flag of the United States of America. Something has been bothering me, so I thought I might talk it over with you.

I remember some time ago people lined up on both sides of the street to watch the parade and naturally, I was always there, proudly waving in the breeze.

When your daddy saw me coming, he immediately removed his hat and placed it over his heart. Remember? And you, I remember you standing there straight as a soldier. You didn't have a hat but you were giving the right salute.

Remember your little sister? Not be be outdone, she was saluting the same as you, with her hand over her heart. Remember?

What happened? I'm still the same old flag. Oh, I have added a few more stars since you were a boy, and a lot more blood has been shed since those parades of long ago.

But I don't feel as proud as I used to. When I come down your street, you just stand there with your hands in your pockets. I may get a small glance but then you look away.

I see the children running around and shouting. They don't seem to know who I am. I saw one man take off his hat and look around. He didn't see anybody else with his hat off so he quickly put his back on.

Is it a sin to be patriotic any more? Have you forgotten what I stand for and where I've been. Anzio, Normandy, Omaha Beach, Guadalcanal, Korea, Vietnam, and now Saudi Arabia.

Take a look at the Memorial Honor Rolls some time. Look at the names of those who never came back in order to keep this Republic free. One Nation Under God. When you salute me, you are actually saluting them.

Well, it won't be long until I'll be coming down your street again. So, when you see me, stand straight, place your right hand over heart. I'll salute you waving back. And I'll know that you remembered.

CONVENTION TICKETS

The La Crosse and West Salem Lions are working hard to arrange an enjoyable convention for all Wisconsin Lions and their guests. Four new ticket features are being offered for the 1991 Wisconsin State Lions Convention in La Crosse.

DISTRICT MEETINGS - A ticket will be required to attend the Friday morning District meetings. In order to be fair to the restaurants that are providing space for the meetings it is felt that a meal should be included as part of the meeting. Previously this was an option that many Lions declined to participate in. A sandwich buffet will be served to keep the price at a reasonable level. It is also hoped that this will be an indication of the appreciation of the attending Lions to the establishments providing space for the meetings.

TWO BANQUET SPECIAL - To encourage more Lions and their guests to attend both the opening and closing banquets we are offering a reduced price when tickets for both banquets are ordered at the same time.

CONVENTION SPONSOR - "Convention Sponsor" tickets will be available for the first time for both individual Lions and for couples. The "individual" sponsor ticket will include tickets for the opening and closing banquets, the District meeting and a convention pin. The "couple" sponsor ticket will include two tickets each to the opening and the closing banquets, one District meeting ticket, one ladies luncheon ticket, one ladies brunch ticket and two convention pins.

RIVERBOAT CRUISE - On Friday afternoon at 1:30 p.m. a two-hour sightseeing cruise along the Mississippi river will be offered aboard the La Crosse Queen - A sternwheeler with space to accommodate 150 passengers.

DINNER CRUISE - On Friday evening a dinner cruise is scheduled to leave the Holiday Inn at 6:00 p.m. The Island Girl is a modern enclosed cruise vessel that can accommodate 90 passengers for a relaxing dinner on the Mississippi river.

Here is your opportunity to order banquet, luncheon and cruise tickets for the 1991 Wisconsin Lions State Convention. Ordering now will save you time, money and disappointment. We would not want you to miss any of the events. See the advance **TICKET ORDER FORM** in this issue of the LION magazine.

Tickets will be filed under individual Lion names according to Club name and District number. Those Clubs making a combined mailing for their members should prepare a separate ORDER FORM for each individual Lion member or couple. Tickets will be available for those attending at the Convention Registration area.

Your support of the events for which a ticket is required help to support the many varied "no cost" activities provided during the convention. Thank you for your support. We look forward to serving you in La Crosse during the 1991 Wisconsin State Lions Convention.

THE BIRCH-STURM FELLOWSHIP

The Birch-Sturm Fellow was created by the Wisconsin Lions Foundation to honor those Lions, Lioness, Leos and non-Lions who exemplify undying dedication and commitment to the work of the WLF and the humanitarian works that it supports. Frank V. Birch and Clarence L. Sturm are honored by the Fellowship because they were the first two Lions International Presidents from Wisconsin. These two great Lions were staunch supporters of the Foundation. Both served on the WLF Board of Directors.

Frank Birch joined the Milwaukee Central Lioness Club in 1924. He was District Governor in 1929-30 and International Director in 1931-33. He served as International President in 1937-38. Clarence Sturm was a charter member of the Manawa Lions Club in 1929. He was District Governor in 1941-42 and International President in 1959-60.

In order to become a Birch-Sturm Fellow, an individual must commit to donating $1,000.00 to the WLF Endowment Fund. The $1,000.00 can be paid at once or in four consecutive annual installments of $250.00. Clubs or Districts may purchase a Fellowship for a member with one payment or two consecutive annual payments of $500.00. Note: Club purchases must be over and above the Clubs current donation level to the WLF.

After the financial commitment has been satisfied, the Birch-Sturm Fellows will receive a plaque and a lapel pin. Their name will also be inscribed on the Birch-Sturm Fellowship Master Plaque honoring all Birch-Sturm Fellows.

The WLF Endowment Fund consists of donations received from bequests and memorials. Currently, only the interest of the Fund is used to support the WLF operating budget. As the Fund grows, with the help of income from Birch-Sturm Fellowships, it is hoped that a new support program will be possible to help Lions with their humanitarian projects.

To: District 27-B1 Lions & Lioness

March - Coming in like a lamb or a lion? Going out like a lion or a lamb? I'll let you decide that one! This is our final month of the Lions Membership Growth Period. There's still time to get that new member in and earn yourself that coveted growth award pin. This past month we brought in 21 members into the district roster. With one club bringing in five (5) members and another bringing in three (3) members, I wonder if the other membership chairman and his/her committee are doing their job. What do you think?

Our district will be hosting another International Lion this month. The Whitelaw Lions Club is celebrating their 25th anniversary. (See their invitation elsewhere in this letter.) They have invited Past International Director Curtis Orr from Beaverville, Illinois as their featured speaker. Lion Orr is owner/operator of a grain elevator firm. The cost for the evening is only $9.00 per person. If you would like a reservation for that night, call Lion Secretary David Radue at (414) - 732 - 3985 or 732 - 4551. We should try to have a good turn out for this evening and show PID Orr that LIonism in Wisconsin is alive and thriving.

You'll find a report on contributions for "Fight For Sight" somewhere in this newsletter. So far, 72% of the Lions Clubs and 63% of the Lioness Clubs have supported this project of Sight First here in Wisconsin. There is still time for your club to be a financial supporter of this Wisconsin Lions Eye Research Laboratories. Twenty six (26) of our Lions Clubs have either pledged or given $50.00 per member. Won't you help your fellow Lions to achieve the $500,000.00 goal? There's about $35,000.00 left to go on this project to complete it by the State Convention. This is just like a normal project in your individual club - The more hands that pitch in and help - even just a little bit - the easier the job is.

While I'm talking about contributions, it should be noted that over half of our clubs have already donated to Leader Dog. We have a little over three (3) months for the balance of the clubs to make this a 100% project. Right now it should be noted that several clubs have increased their contributions significantly over last year - namely, Elkhart Lake, Harrisville, Rosendale, and Two Rivers. Thank You! But really, the amount you contribute isn't that important, just cooperate with a little something that your club's budget will allow.

In closing, just go out and celebrate with your Irish friends this month with some corned beef and cabbage. Chris and I would also want to wish you all a happy and blessed Easter week.

WANTED - WANTED - Nurses

As a result of the current nursing shortage, the Lions Camp has experienced great difficulty in finding nurses to work during the summer camp program. Unfortuantly, the nursing shortage is occuring at a time when the Lions Camp has increased in numbers of children that require skilled nursing care.

Graduate nurses, LPN'S, and RN's who have an interest in an excellent pediatric experience are encouraged to contact the camp.

USA-CANADA LEADERSHIP FORUM
SALT LAKE CITY ,UTAH
September 26-28,1991

MARK YOUR CALENDARS NOW !!! Experience leadership second to none. The theme for this years Forum is "INVOLVEMENT-Accept the Challenge", an appropriate theme for these times when we have so many things we can be doing as Lions and Lioness. We as volunteers in a Service organization need all the new ideas we can get.

The Forum is truly a learning experience for any and all Lions and Lioness. Ask anyone who has attended in the past and I am sure they will echo these same thoughts. I would especially encourage Club 1st Vice-Presidents for 1991-92 to attend. The training and knowledge gained will make your year as President much more rewarding and productive for your Club. Club Presidents, pass this message on to incoming 1st Vice-President. I also encourage Clubs to budget some amount in next years budget to help subsidize attendance at the Forum which will also serve as an incentive to attend. It will be money well spent.

We are looking for the names of those planning to attend who may be interested in serving as discussion leaders in small group discussions at the sessions. Many Lions from Wisconsin have served in this role in the past and it can be quite rewarding. Information will be sent to those volunteering for this duty, as well as an informational meeting to be held on Friday morning at the Forum.

Each District has a FORUM Chairman appointed by the District Governor. Lion Robert Showers is the Chairman for this District. Please notify him if you are planning to attend this years FORUM.

Salt Lake City is a beautiful city in a beautiful part of this Country. Join us this year and I am sure you will not have any regrets. SEE YOU AT THE FORUM.

CONVENTION TICKETS

The La Crosse and West Salem Lions are working hard to arrange an enjoyable convention for all Wisconsin Lions and their guests. Four new ticket features are being offered for the 1991 Wisconsin State Lions Convention in La Crosse.

DISTRICT MEETINGS - A ticket will be required to attend the Friday morning District meetings. In order to be fair to the restaurants that are providing space for the meetings it is felt that a meal should be included as part of the meeting. Previously this was an option that many Lions declined to participate in. A sandwich buffet will be served to keep the price at a reasonable level. It is also hoped that this will be an indication of the appreciation of the attending Lions to the establishments providing space for the meetings.

TWO BANQUET SPECIAL - To encourage more Lions and their guests to attend both the opening and closing banquets we are offering a reduced price when tickets for both banquets are ordered at the same time.

CONVENTION SPONSOR - "Convention Sponsor" tickets will be available for the first time for both individual Lions and for couples. The "individual" sponsor ticket will include tickets for the opening and closing banquets, the District meeting and a convention pin. The "couple" sponsor ticket will include two tickets each to the opening and the closing banquets, one District meeting ticket, one ladies luncheon ticket, one ladies brunch ticket and two convention pins.

RIVERBOAT CRUISE - On Friday afternoon at 1:30 p.m. a two-hour sightseeing cruise along the Mississippi river will be offered aboard the La Crosse Queen - A sternwheeler with space to accommodate 150 passengers.

DINNER CRUISE - On Friday evening a dinner cruise is scheduled to leave the Holiday Inn at 6:00 p.m. The Island Girl is a modern enclosed cruise vessel that can accommodate 90 passengers for a relaxing dinner on the Mississippi river.

Here is your opportunity to order banquet, luncheon and cruise tickets for the 1991 Wisconsin Lions State Convention. Ordering now will save you time, money and disappointment. We would not want you to miss any of the events. See the advance **TICKET ORDER FORM** in this issue of the LION magazine.

Tickets will be filed under individual Lion names according to Club name and District number. Those Clubs making a combined mailing for their members should prepare a separate ORDER FORM for each individual Lion member or couple. Tickets will be available for those attending at the Convention Registration area.

Your support of the events for which a ticket is required help to support the many varied "no cost" activities provided during the convention. Thank you for your support. We look forward to serving you in La Crosse during the 1991 Wisconsin State Lions Convention.

SUCCESS OF LADDER THE

Secretary's Corner

The race for the top spot among all the clubs in the district heats up in the last two months. Remember, the contest closes April 30th. All National, State, and District dues should be paid by now. M & A's are coming in very good - always a couple of stranglers each month - but it seems each month it's a different one. Let's all get together once and everybody submit on time. Membership still is very important - this month 252 points were distributed with those new members taken in. You all received the PU-101, PU-101M, and the Lioness your LL-71. Next month after your club has your elections, fill 'em out right away. Next to your M & A report, this is the second most important form you submit all year. It would be nice if each club could get credit with points for all the Lionistic contributions. Any donation after April will not apply to this year's contest. Here are the standings for the month of March:

1. Appleton Noon
2. Berlin
3. Kingston
4. Rosendale
5. Two Rivers
6. St. Peter
7. Butte Des Morts
8. Neenah
9. Wild Rose
10. Packwaukee

Let's see is we can sign some more new members in the final month of our Membership Growth Month. Go For It!!

LIONS QUEST

Wisconsin Lions Foundation has contracted with Quest/ International to sponsor two "Skills for Adolescence" and one "Skills for Growing" workshops in April, 1991. The reistration form was in an earlier issue of the Governor's Newletter.

The Dates Are As Follows:

Skills for Adolescence - April 8 - 10
Skills for Growing - April 15 - 17
Skills for Adolescence - April 22-24

There are still a few openings in all three workshops. Contact the WLF office for more information.

Lioness Meeting

A district wide meeting for all Lioness will be held on Saturday, April 6th at Club Fond du Lac starting at 10:00 A.M. Lion Dennis Kitchen and his wife, Lioness June will be conducting the informational meeting. Any one interested in the Lioness program is welcome to attend, especially club officers, Zone Chairman, and Region Chairman. There is a noon luncheon that costs $7.50. The session should wind up by 3:00 P.M. Give Lion Dennis or June a call if you'de like to go.

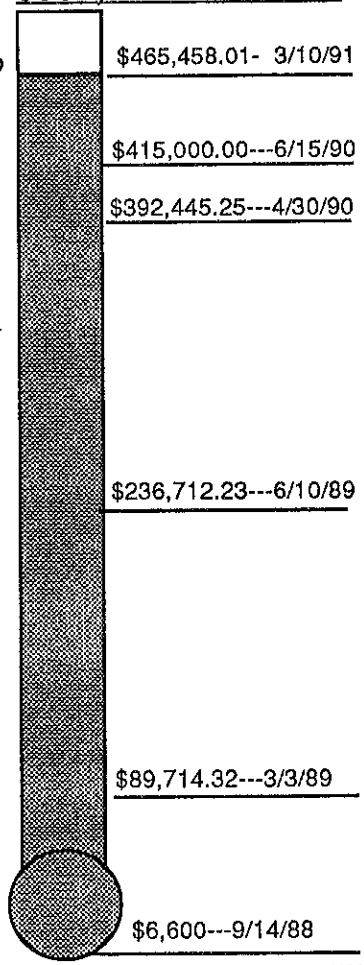
WE NEED YOUR SUPPORT
"WE WORK BETTER TOGETHER"

$500,000.00 GOAL

93%



Dear Wisconsin Lions,Lioness and Leos.

The Wisconsin Lions Eye Research Laboratories are nearing a reality. To date the Lions, Lioness, and Leos of Wisconsin and the world through L.C.I.F. have pledged or donated $465,458.01 Our goal is $500,000.00.

Through hard work we have almost reached our goal. We know with the record of Lionism in Wisconsin and our dedication to sight conservation that we will be successful in financing the construction of two research laboratories.

The combination of people and facilities can bring about significant progress in the prevention and treatment of blinding disorders. New cures and new treatment may be the results of the work that is carried on in the new Wisconsin Lions Eye Research Laboratories. The Lions of the World, this Country and the State of Wisconsin can make a difference. The benefits of eye research are shared and are not limited to local, state or international boundaries.

What a great impact we could make if ALL clubs participated in this Lion-Identifie Project! Under the Lionistic banner, we have the potential of becoming the leading organization of the world in the fight against blindness. It is a wonderful opportunity for Lions, Lioness, and Leos everywhere to rally together for one cause, one goal to " Combat Blindness". Let's do our share.Add your Club's name to the list of clubs that will be displayed on a plaque outside of the labs. All money over the amount of $500,000.00 will go to the Wisconsin Lions Foundation and be used for other Sight Conservation Projects.

There is still time for your club to become a financial supporter of the new Wisconsin Lions Eye Research Laboratories. Individual gold plates on a plaque will list all major donor clubs which have given $50.00 or more per club member. Another plaque will list all clubs and personal donations over the amount of $50.00.

We hope your club will be recognized as a donor to this very worthwhile project. Please refer this to your club and join the Lions of the world in the fight against blindness.

STATE CONVENTION

Make your plans now for the Lions State Convention on May 16th, 17th, & 18th. The motel reservation blank was in the January newsletter. It also has been in the monthly Wisconsin Lions magazine. The meal reservation was in last month's newletter and also appears this month. Remember, all meal prices go up on the first of April. Be sure you get your reservation in before that time. The facilities at La Crosse are some of the finest for our convention. The Lion topics for the seminars are excellent. The parade route is sixteen (16) straight blocks - no turns - everything points to a real good convention for this year. Make sure that you're part of it!!!

Dear Lions & Lioness of 27-B1;

Looks like "Spring has Sprung" - Signs are everywhere!! The robins are back and the ducks and geese by the thousands are coming into the Collins Wildlife Refuge right across the road from our house. The swans are on the river between Valders and Collins and I even saw six sandhill cranes yesterday. A lot of my friends have stored their fishing shanties and now are looking forward to the smelt run and the upcoming fishing season. The tulips have poked their heads out on the South side of our house and it won't be long before they show their pretty coats. (But, the rest of our yard still shows the ravages of wind and winter and looks a mess.) It's all abeautiful time of the year. I hear Lions Clubs have started work in cleaning up their parks, ball diamonds, etc. in anticipation of summer activities ahead. This is also the time of year when many hands make work easier.

Our district has done fairly well on our three months of membership growth. Thus far we have 46 new members and with March M&A's coming in every day, we should have more. Two clubs added four (4) members and one club added three (3) members this past month. With all the groundwork we've done the past three months, let's hope that all clubs can add to their membership in the next couple months. All of us can use new, young, enthusiastic hands helping on the upcoming summer projects.

Again, our district was 100% in Wisconsin Lions Foundation contributions. Great Going Gang!!! Our district was the 3rd district in the state with 100% for Lions and 1st in the state for both Lions and Lioness. Pat yourself on the back if you want to, but remember we only have a couple months left to contribute to the other Lionistic projects - - L.C.I.F., Leader Dog, Diabetes, Fight For Sight, Temporal Bone, and Youth Exchange. Wouldn't it be nice if every club pitched in like they did for W.L.F.? The need is there - Isn't that our Lions purpose? - Helping those less privileged and gifted than what we are!

I mentioned "Fight For Sight" above. Last month I listed all the contributions for that fund in the district. Wouldn't you know it - I goofed again - I forgot to list Wautoma's donation. Wautoma Lions - I Apologize - You're helping the rest of Wisconsin Lions build the Eye Research Laboratories. We only have 27 clubs left to pledge for this cause. Use the form in last month's newsletter.

Yours in the good Lions Spirit....

Governor Vic

William Stueck - Two Rivers

After many years of faithful service to his Lions club, to his community, and to the general public this Lion was called "Home" to his eternal reward. We are all thankful for the service he has given over these many years. He will be missed by his club and his many friends. "WELL DONE, THOU GOOD AND FAITHFUL SERVANT."

A boy brought home his report card and rather sheepishly handed it to his father. After looking the whole thing over very carefully, the father came up with a burst of positive thinking. "One thing I'm certain of with these grades, you're not cheating!"

SECRETARY'S CORNER

April is an all-important month for our Lion Secretary with the filing of the PU 101 & PU 101A forms. Make sure you fill them out right after your election in your club is final. Type them if you can - otherwise, print very plainly. It is important that all this information is legible as it is used many times in the following Lions year including the new state directory. Make sure especially that all names are spelled right and all telephone numbers are accurate. All this information will make it that much easier for the incoming Governor Bob. Send the white copies to International and the yellow & blue ones come to me. Thanks. Just a quick note about Accounts Payable. Our district owes International over $3400.00. Most of this amount is current or 30 days, but one account is 90 days old & one is even over 150 days old. Get your treasurer to pay these accounts. Standings for the month are:

1. Appleton Noon
2. Kingston
3. Berlin
4. Butte Des Morts
5. St. Peter
6. Rosendale
7. Two Rivers
8. Neenah
9. Packwaukee
10. Larsen/Winchester

Everybody, keep up the good work - our contest closes the end of the month. Get those new members now, make all donations to Lions projects, & most important get those PU 101's & M&A's before the 30th.

STATE LIONS CONVENTION

Room reservation blanks and meal reservation blanks have been in previous issues of our newsletters. Hope you all have sent them in by now. In case you haven't, do it today. All of the club delegate and alternate cards have been sent to each club. These cards must be certified before you are permitted to vote. Certification will take place at the District Meeting & Luncheon on Friday, May 17th at the Holiday Inn. If this doesn't work out for you, you'll be able to get certified at the Convention Center on Saturday morning between 8:00 & 11:00 A.M.

DEVELOPING NEW MEMBERS

Recruiting and signing up new members is often the easiest part of membership. Keeping them involved and interested is by far the most important work challenging us today. In order to assist your club with developing new members into Lions, the following plan should be considered:

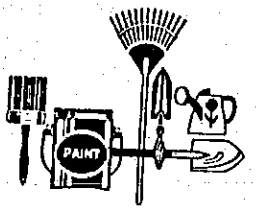
1. All new members should serve as greeters.
2. All new members should serve on a phone squad.
3. All new members should serve on a community betterment committee.

The purpose for them serving as greeters, on a phone squad and community betterment committee is rather simple. It is critical that new members get to know all club members as soon as possible. This makes them feel "part of the club". Be sure to have your Tail Twister there to fine any members that don't say hello to the greeters.

All clubs need an attendance committee. If your club doesn't, the new members can call members prior to the club meeting to remind them. This gives the new members a chance to talk to some of your members that aren't regular attendees. At the same time they are providing a valuable service to the club.

Having them serve on a community betterment committee can be the strongest type of involvement for new members. Here they have a choice of two options. Under the guidance of an experience member, the new members are asked to assess the community in terms of what new needs there are in the area that your club might be able to service. They are responsible for working out a plan and submitting it to your Board for review.

The other possible community betterment project could be in the area of sponsoring a new club in a neighboring community. Your District Extension Chairman is ready to provide your new members with expert indoctrination and training that will help them expand Lionism into a community that needs the services only a Lions club can provide. They will learn about Lionism while helping the community.



By the time the youngest children have learned to keep the house tidy, the oldest grandchildren are on hand to tear it to pieces.

THINK

If you think you are beaten, you are.
If you think you dare not, you don't.
If you like to win, but you think you can't,
It is almost certain you won't.

If you think you'll lose, you're lost,
For out of the world we find,
Sucess begins with a fellow's will --
It's all in the state of mind.

If you think you are outclassed, you are,
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But soon or late the man who wins
Is the man WHO THINKS HE CAN!!

WISCONSIN LIONS WEEK

Plans are going forward with declaring the week of May 12-18 as Lions Week in the State of Wisconsin. It is expected that Governor Tommy Thompson will sign a declaration to that effect. This week will be celebrated in conjunction with the State Lions Convention at La Crosse on May 16th thru 18th. The purpose of this week is to build awareness of Lionistic service within Wisconsin. Why don't your club make plans now to publicize their activities, projects, and fundraisers in your local media such as town newspapers, radio, television, etc. You could also invite local leaders to your meeting (s) and inform them of Lionism and your club's service activities. Or, why not send a representative of your club to their town meeting, village board meeting, or city council meeting and tell them all about our great organization? These people are all red - blooded Americans that just might make an excellent member for you.

"So you were a Lions District Governor in the United States", asked the cannibal chief. "What was your job?"
"I was the editor of the monthly newsletter for all the District Lions", replied the faithful Lion.
"Good!!" smiled the cannibal chief. - "Tomorrow you be editor-in-chief."

The horse would have a good laugh to-day, if it could see all those motorists adjusting their shoulder harnesses.

LET'S GO SHOPPING

One of these days, I must go shopping. I'm completely out of self-respect.

I want to exchange some self-righteousness I picked up the other day for some humility which they say is less expensive and wears better.

I also want to look at some tolerance which is being used for wraps this year.

One store advertises a sale on 'thank you.' I think I need a big supply.

Someone also showed me some pretty samples of peace. We are all a little low on that and can never have too much of it.

And, by the way, I must try to match some patience that my neighbors wear. It's very becoming and I think it might look good on me.

I might try on that little garment of long-suffering they are displaying. I never thought I wanted to wear it, but I feel myself coming to it.

Also, I must not forget to have some sense of appreciation mended, and look around for some inexpensive everyday goodness. It is surprising how quickly one's stock of goodness is depleted.

Maybe we should go shopping together.

To: All Lions & Lioness in District 27-B1

May - What a joyous month!! Mother's Day, Graduations, Memorial Day, Lions Week, LaCrosse State Convention, etc. HAPPY TIME - BUSY TIME! I'm sure hopeing our clubs will be well represented at the annual convention. The last word I have is that there were 1400 registrations so far. It should be a great convention - You better not miss it. Our Lions International President Bill Biggs will address the Thursday night opening banquet. Governor Tommy Thompson will also be there Thursday night to present the Lions Week proclamation and to accept our ½ Million dollar "Fight For Sight" contribution. We're still a few thousand away from that goal - If your club can help out a little bit yet, there still is time. Our annual district meeting is Friday A.M. - Let's have a good turnout for that. Hear the committee reports and get the info on all the resolutions that will be voted on.

Included in this newsletter is an application for the USA/Cananda Forum. It will be September 26-29th at Salt Lake City, Utah. Anyone that has ever been to a Forum will attest to its quality of Lions information and personal motivation that is available. Cost is very reasonable when you consider the meals included in that one time fee. "Early Bird" registration ends June 20th, so register now while we're talking about it. Some clubs send their president or 1st vice president and pay a portion of or all of the expenses. Whoever goes has the opportunity of getting loads of information and your club can reap the benefits for years to come. Give it some thought...

What is your club doing for Lions Week? There is still time to be an active participant of this state-wide project with no cost to you. Call your local newspaper, give them information on Lionism and maybe they'll give your club a "plug" during May 12th through the 18th. We all certainly can wear our Lions Pin that week wherever we go - work, golf, shopping, church, etc. I know we all have a pin on our Sunday suit lapel, but let's show every-one the other six days of the week that we belong to the world's largest service organization that helps the less fortunate. Wear that pin proudly.

I know that some of you must work on Thursday & Friday of the convention. But, why not get your spouse and/or friends together and come to LaCrosse for the Saturday parade and the closing banquet Saturday Night. I believe tickets are still available.

Yours in Lionism

WISCONSIN LIONS FIGHT FOR SIGHT **P.O. Box 236 Cross Plains, WI 53528**

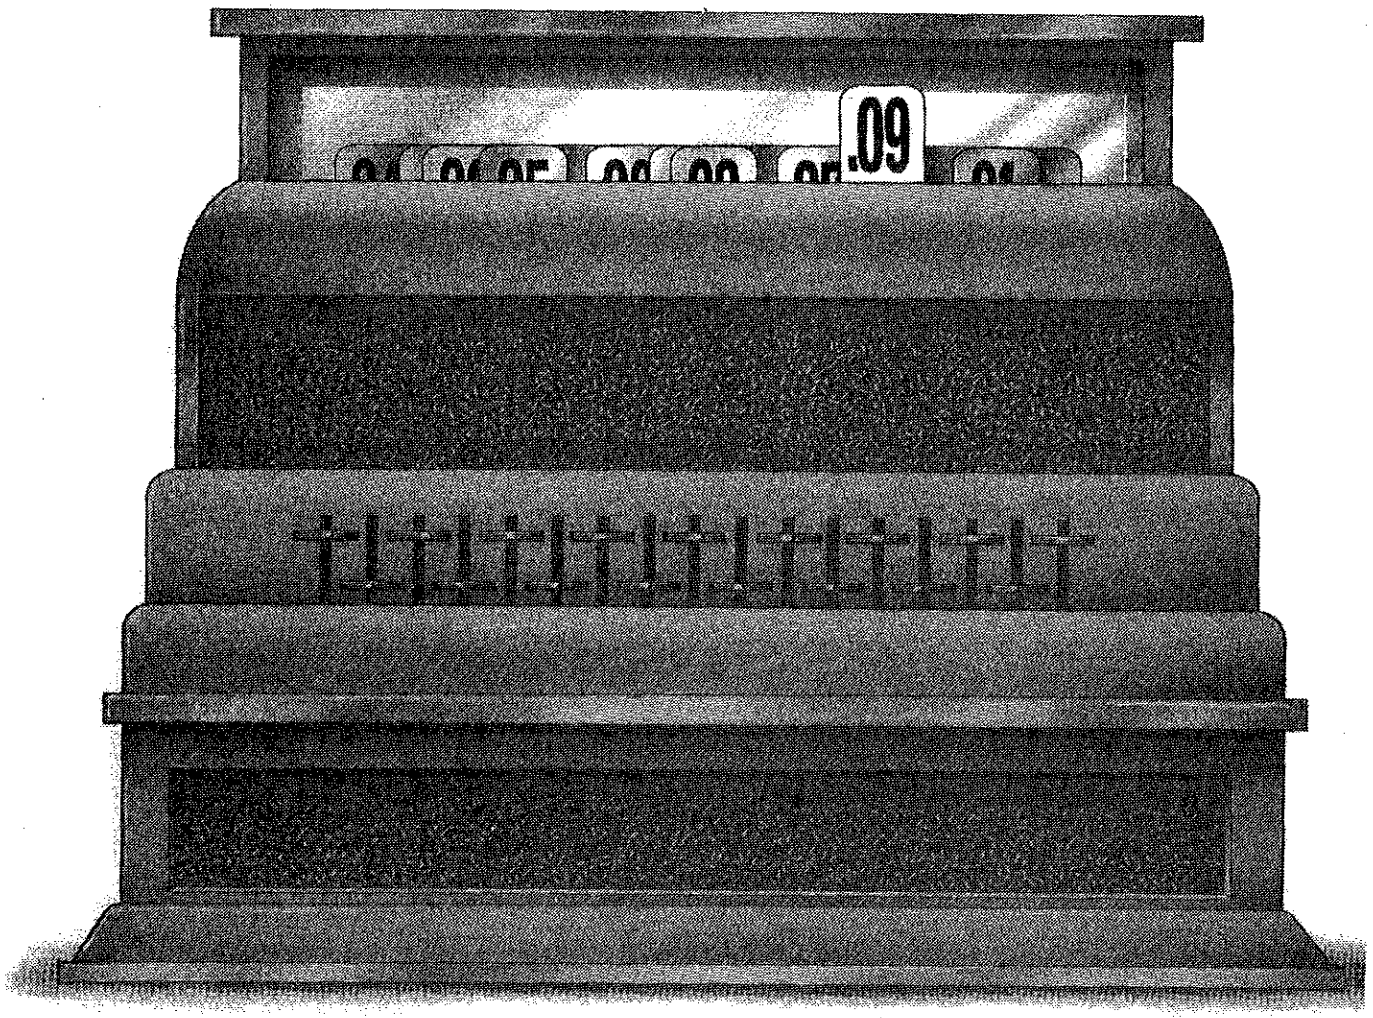
I (personal) / We (club) wish to pledge $_____to the*Wisconsin Lions Fight For Sight Campaign.*
It is my/our intention to contribute the above amount over a period of _____years at the amount of $_____per year.

Club Name_____

Address_____ City_____

State _____ Zip_____
The exact schedule and form of this commitment is subject to change depending on the circumstances of the club.
This is a Wisconsin Lions Special Project and is not considered as your regular donation to the Wisconsin Lions Foundation or Lions Camp.

P.S. Is your Club listed above ?? There's still time!



No, that sure isn't a very big sale to ring up on your business cash register. You couldn't live very well on sales like that. But, do you know that this 9¢ could mean the difference between sight and blindness to children in more than 40 countries in Asia, the Pacific, Latin America, and Africa? Yes, nine cents can buy one Vitamin A capsule that a child in the developing world could take to prevent malnutrition. Yes, every 30 seconds a child goes blind as a result of a blinding and potentially fatal disease called xerophthalmia or "dry eye" or "chicken eye". We here in Wisconsin and the United States are blessed with a natural supply of foods that are high in Vitamin A -- meat, liver, eggs, and all of our dairy products ie milk, butter, and cheese. These foods are simply too expensive or not available to the majority of people in developing regions. Hence, these people don't get the necessary Vitamin A in their diet. It's estimated that 10 million children do not receive enough food rich in Vitamin A. The consequences are that 1,000,000 innocent children go blind, more than 500,000 die, and millions of others suffer from Vitamin A defeciency and have little chance of living into adulthood.

What can we do about it? The challenge is here - We here in District 27 - B1 can become International Lions and serve a global need. We can answer the call "To Serve" and participate in the "Sight First" project that is world-wide in our 1991 Lionistic year.

Our Past International Director from Wisconsin, Lion Helmer Lecy from

over please

(continued from previous page)

Arkdale has been promoting a program the past several months by collecting 9¢ (or another smalldonation) from each person in the audience at his speaking engagements. I'm sure some of you have contributed a thin dime or other small change.

Don't you think that every Lion could contribute a meager amount - less than the cost of one cigarette or about the cost of one stick of gum? Maybe a contribution of 9¢ for each person in your club or 9¢ for each member of your community would be in order. Maybe we can't ship eggs, milk, butter, or cheese to the Philippines, Peru, or Central Africa, but we can afford nine pennies of our own money to combat blindness in the world. It's never too late and it can't ever be too soon for Lions to embark on this large scale project of "Sight First" to supply and distribute large amounts of Vitamin A capsules along with mass education so that developing countries can embark on long-term strategies to solve this problem of blindness. Make your checks payable to "Nine Cent Challenge" and send them to me or P.I.D. Lecy. (Addresses below) Let's see what we can collect by the first of July. Thank you for your support.

THE MEMBER WHO NEVER CAME BACK

It amuses me now to think that your organization spends so much time looking for new members - when I was there all the time. Do you remember me?

I'm the person who was asked to join. I paid my dues, and then I was asked to be a loyal and faithful member. I'm the person who came to every meeting, but nobody paid any attention to me. I tried to be friendly, but everyone seemed to have their own friends to talk to and sit with. I sat down among some unfamiliar faces several times, but they didn't pay much attention to me. I hoped somebody would ask me to join one of the committees or to somehow participate and contribute - - but no one did.

Finally, because of illness, I missed a meeting. The next month, no one asked where I had been. I guess it didn't matter very much whether I was there or not. On the next meeting night I decided to stay home and watch a good television program. When I attended the next meeting, no one asked me where I was the month before. You might say that I'm a good, responsible person who loves my family, my community, and my country. You know who else I am? I'm the member who never came back!

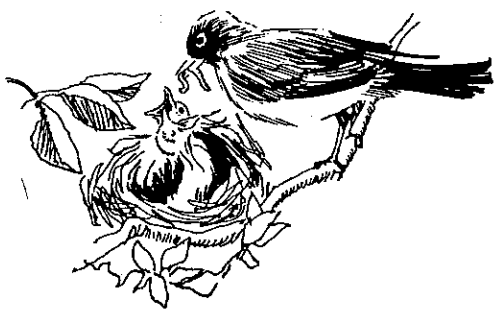
Twenty Seven have joined our ranks in the past month. Several of these are still from March Growth Month. This just goes to show you that we can recruit new members if we make our mind to it. Now, if we could only improve on retention, we could have it made. Right?



SECRETARY'S Corner

This portion of the newletter is being typed after April 30th. I was hoping that all the PU 101's would be in - no such luck - I'm missing three. Also, I'm missing nine (9) PU 101M's. Hopefully I'll have all of these by the time you're reading this. This is now the second year this form was required - our state membership chairman is waiting for each report. The standings listed below are not the final ones, even if the contest ended on April 30th. I don't think the standings will change much tho. I just did't have all the time I needed to do all the tabulations. The final standings will appear in next months newletter. Here's what it looks like as of right now:

1. Appleton Noon
2. Kingston
3. Berlin
4. Butte des Morts
5. Rosendale
6. St. Peter
7. Two Rivers
8. Neenah
9. Packwaukee
10. Larsen/Winchester

There still are quite a few clubs that didn't make contributions to all of the Lionistic Projects. Maybe you're planning to do it at the Parade of Checks at the State Convention. Talk to your President and Board of Directors about it. I'll list them for you - LCIF, Leader Dog, Fight For Sight, Diabetes, Youth Exchange,and Temporal Bone.

IN MEMORIAL

James G. Larson - Wild Rose

HAT'S OFF TO THE DISTRICT MEMBERSHIP AND OFFICER ORIENTATION TEAM.

All of the regions have completed their meetings. A public "Thank You" goes out to PDG Dennis Kitchen, PDG Don Kringle, PDG Dwaine Habrat, PDG Thomas Thorson, PDG Paul Tadych, RC Robert Showers, RC Earl Buchholz, PDG Thomas Koch, RC David Petrie, RC Jim Roberts, and whoever helped in any way. All meetings were held in one week's span. Attendance was good as a general rule. It's really too bad that more of our clubs don't take advantage of this special night. Information given out to the different officers will certainly make them better suited for their respective office in the year ahead.

ARE YOU AN ACTIVE MEMBER

Are you an active member,
The kind that would be missed,
Or are you just contented
That your name is on the list?

Do you attend all Lions Meetings,
and mingle with the flock,
Or do you stay home
And criticize and knock?

Do you take an active part
To Help the work along
Or are you satisfied to be
The kind that just belongs?

Do you bring in new members
And help the old ones stick,
Or do you leave the work to a few,
and talk about the clique?

Our Association has a progressive
Program that you've heard plenty about
And you'll be rewarded if you
Will cooperate in helping us out.

So join in our activities often
And help us with hand and heart,
Don't just be a member,
But take an active part.

NAMES in the NEWS

April 20th was the date - Butch's Anchor Inn was the place in Oshkosh - Oshkosh Lakeshore's 25th Anniversary was the occasion - and the people .. None other than Lakeshore's own Lion Wayne "Doc" Covioux and his wife, Alice. Everyone said it couldn't be done, But, The Oshkosh Lakeshore Club surprised Doc & Alice without them haveing one "inkling" of what was happening. They each were presented a "Birch-Sturm Fellowship". This is Number 1 and Number 2 in our district and it couldn't have been presented to a nicer Lion and his wife. If you have a deserving Lion in your club, or a deserving member of your community, why don't you consider this contribution to the WLF Endowment Fund? If you need information or an application, I'll send you one. There also was one in the February Governor's Newsletter. Again, CONGRADULATIONS TO LION "DOC" WAYNE COVIOUX and his partner in service, ALICE. Best Wishes to you!

In my rural congregation each member takes a turn serving on the various committees and leadership positions in the church. This pattern of service is seen as a duty of membership, is expected of you, and is repeated to a large degree in every county farm group, service club and Chamber group in rural America.

You cannot fully enjoy and appreciate the benefits of membership in any organization until you have given back a part of yourself. Your time, Your energy, Your commitment - to the greater good of the group.

Rural business people likewise dutifully practice being good citizens by supporting a diversity of community activities. Not only do they give themselves to these activities, but they also give their financial support.

To: Lions and Lionesses of District 27-B1

It is with mixed emotions that I begin this correspondence to you. I have thoroughly enjoyed visiting with you these past twelve months. Last July I wrote the first newsletter just before going to St. Louis to be installed as your District Governor. Here, eleven months later we're getting ready to go to Brisbane to turn over my duties to your new 1991-1992 District Governor. It truly has been a hectic year trying to "cram" 12 months of work into eleven months' time. Needless to say it has all been a fast moving, exciting year for Chris and I. These experiences will remain with us the rest of our lives.

The 1991 La Crosse State Convention is just completed and is now history. It was truly remarkable. Voting results are recorded elsewhere in this issue. One of the highlights of the convention was when International President Bill Biggs presented an International Presidents' Award to our Past District Governor Orvin T. Doede and Past District Govenor Milton O. Wood. Congratulations Lions Orv and Milt on your deserving award and thanks from all the Lions in B1 for all your contributions to Lionism over the past ten years, not only in the District but the State as well.

As we conclude this Lionistic year I must say that all of my goals have not been achieved, but I'm happy for the progress we've made on some of them and others may be accomplished before July 1st. We have a GREAT DISTRICT B1 only because of the great Lions and Lionesses in the individual clubs. I am proud to have had the opportunity to serve you and represent you this past year.

Some "Thank Yous" are in order:

THANK YOU - Lions Clubs & Lioness Clubs for the hospitality extended to Chris & me on our visitations and all your activities. Your friendship is cherished.

THANK YOU - Immediate Past District Governor Thomas Thorson for the communications before I became governor and the wealth of info, advice, council, and support given throughout the year.

THANK YOU - District Cabinet Members for serving on my cabinet. Zone Chairmen, Region Chairmen, and Committee Chairmen - your "Work Hard - Play Hard" attitude makes this a smooth running organization.

THANK YOU - Cabinet Secretary-Treasurer Paul Schmid and Joan for a great job done. I couldn't have done it without you - your reports and thoroughness made it all gell together.

(over)

THANK YOU - Green Lake Lions and Partners-In-Service for the greatest District Convention. Your planning, hard work, and dedication made it all happen.
THANK YOU - Fellow Governors of the 1990-91 Council for your presence at our District Convention and some of our anniversaries. Friendships and support throughout the year have meant a lot to both Chris and me.

In closing I'd like to say "Good Luck" and "Best Wishes" to District Governor Elect Bob Showers. If all of the rest of you will extend him the courtesies and cooperation you've given to me, we'll have a great 1991-92 here in District 27-B1.

The Best Always to All of You,

District Governor Vic & Chris

THE JOYS OF PUTTING OUT A NEWLETTER

Getting out this newsletter is no picnic.
If we print jokes, people will say we're silly
If we don't they say we're too serious.
If we clip and use things from other papers,
We're too lazy to write our own articles;
If we don't, we're stuck on our own stuff;
If we stick close to our regular work all day,
We ought to be out hunting up news and pictures from clubs.
If we do go out and try to hustle up Lion news,
We ought to be on the job doing office work.
If we don't print contributions and/or recipes,
We don't appreciate true genius;
If we do, the newsletter may be filled with junk.
If we make a change in someone else's article
We are too critical, and if we don't we're asleep!
Now, like as not, someone will say we swiped
This from some other paper.... WE DID!

HOW YOU CAN TELL WHEN IT'S GONNA BE A ROTTEN DAY - -

You wake up face down on the pavement.
You put your bra on backward and it fits better.
You call Suicide Prevention and they put you on hold.
You see a "60 Minutes" news team waiting in your office.
Your birthday cake collapes from the weight of the candles.
Your wife wakes up feeling amorous and you have a headache.
Your boss tells you not to bother to take off your coat.
The bird singing outside your window is a buzzard.
You wake up and your braces are locked together.
Your blind date turns out to be your ex-wife.
Your income tax check bounces.
You put both contact lenses in the same eye.
Your pet rock snaps at you.
Your wife says, "Good Morning, Bill," and your name is George.

WISCONSIN LIONS FOUNDATION

THIRTEENTH ANNUAL LIONS DAY

A very special day has been planned at Wisconsin Lions Camp for all newly elected Lion, Lioness and Leo Club Presidents and their spouse/friend. New Club members, new member prospects and all Club members and their spouses/friends are invited too.

Lions Day will be held on Sunday, July 21, 1991. This is an opportunity to see YOUR beautiful camp in operation. Camp will be in session so guests will be able to meet and visit with our campers.

An open house type format will be followed with the guests requested to arrive at Camp anytime between 10:00 a.m. and 2:00 p.m. A delicious barbecue chicken dinner will be served beginning at 10:30 a.m. to 2:00 p.m. The cost of the dinner is $5.00 for adult and $2.50 for children.

A program of information and education has been established for all guests as they participate in Camp "hay wagon" tours and guided walking tours and a presentation on various Wisconsin Lions Foundation programs. After the presentation all new Club Presidents will be asked to come forward and pick up their Foundation packet and gift.

This is a truly remarkable opportunity for every Club member to become more knowledgeable about your Wisconsin Lions largest statewide service project. The Camp provides a wholesome learning experience to visually and hearing impaired children and adults and educable mentally retarded children. Campers attend at no cost because the continuing commitment of Clubs like yours bare the major financial responsibility to support Lions Camp.

Bring your Club's used eyeglasses and hearing aids to Camp. Wisconsin Lions Foundation supplies will be available - used eyeglass containers, pins and Christmas cards.

So come and enjoy all of the activities, tours, comradery, enlightenment and scenery. We encourage all members and especially new members to attend. As a Lions activity, we suggest your Club or District cover the cost.

SECRETARY'S CORNER

Ever since I inaugurated this program last summer I wondered if the different clubs enjoyed it or not. I, myself have enjoyed it and want to thank all the club secretarys for the fine job this year. Forty Five (45) of the clubs got every single M & A reports in on time - that's great! I told you last month I'd have the final tabulations this month - here they are;

1. Appleton Noon
2. Kingston
3. Butte Des Morts
4. Berlin
5. Rosendale
6. St. Peter
7. Packwaukee
8. Larsen/Winchester
9. Two Rivers
10. Neenah

As I also mentioned last summer, the top clubs would be getting an award - this will be forthcoming after I return from Brisbane.
We're still missing a few clubs that didn't contribute to Leader Dog - please take care of this in the month of June.
I'm still missing some PU-101M forms - I have to turn this info in too. Clubs that should send them in are:

1. Campbellsport
2. Collins
3. Green Lake
4. Hilbert
5. Town of Menasha
6. Omro
7. Oshkosh Noon
8. Sheboygan Noon
9. Winneconne

Another item that is very important right now is the club's account with Lions International - You receive the statement - go over this with your board of directors and have the treasurer pay it right away - The fiscal year ends June 30.

It's tough to climb the ladder of success if you're trying to keep your nose to the grindstone, your shoulder to the wheel, your eye on the ball, and your ear to the ground.

Fellow Lions, Lioness, Ladies, and Guests:

As your District Governor it is my distinct honor and pleasure to welcome you to our 15th District 27-B1 Convention. The Green Lake Lions and the Heidel House personnel have worked diligently to make this a truly great event for you.

We hope you will enjoy the hospitality these three days, partake in the Saturday morning session and other activities, attend as many seminars as you can, and certainly be present Saturday night to hear our International Director, W.W. "Bill" Webber from Canada. With all these activities, it enables each of us to learn more about Lionism and go back to our individual clubs better informed than we were before. You had the initiative to come to this convention in the first place. You are the ones that will go home and "Make It Happen" in your Lions/ Lioness Clubs and your community. Our seminar presenters have the information so that you and your clubs can answer the challenge Helen Keller gave us 65 years ago as knights of the blind in the crusade against darkness.

Thank You for coming and a special welcome to all our visitors from outside the boundries of B-1. We're happy you could share this week-end with us. Thank You to all seminar presenters for your work. Thank You to all delegates, alternates, and guests for your attendance - nice to see you all. "Go Forth" more inspired to face the challenges of helping all people less fortunate than you and I in your community, our state, and our universe.

God Bless You All and Enjoy The Convention.

Victor V. Voigt
District Governor 27-B1

Fellow Lions, Lioness and Guests:

The Green Lake Lions Club would like to welcome you to the 15th Annual District 27-B1 Convention.

A Convention Committee has lined up an interesting, informative and fun filled weekend for all.

One of the highlights of the Convention will be our guest speaker at Saturday nights banquet, International Director William W. Webber. I am sure his message will enlighten and encourage us all.

We hope that all those in attendance at the Convention will leave as a better person and Lion for the knowledge that they have gained through the Seminars and fellowship of Lionism.

Have fun and enjoy your Convention. We, the Green Lake Lions Club have enjoyed having you as our guests.

Gordon D. Hoffman

Welcome to the 15th Annual 27-B1 District Convention.

District Governor Vic and the Green Lake Lions Club have arranged a great convention for the Lions and Lionesses of our District. You have the opportunity to share ideas, learn more about Lionism and enjoy hospitality. I encourage you to attend and participate in all the activities that are planned.

Our International guests from St. Albert, Alberta, Canada are International Director William W. "Bill" Webber and his wife Joan. Introduce yourself to them and welcome them to our District. We would also like to welcome our other guests from around Wisconsin. It's great to have you with us.

Take the information from this convention back to your Lions and Lionesses Clubs so that others can benefit from your presence here. There is always something we can do for the less fortunate, the youth and the elderly in your communities and around the world.

Enjoy the convention!

LIONS
Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.
