DIAL (414) 921-5600

September 30, 1976

DISTRICT GOVERNOR JOHN SCHNEIDER AND MEMBERS OF THE LIONS
DISTRICT 27Bl AND GUESTS OF THE CONFERENCE:

On behalf of the nearly 90,000 citizens of Fond du Lac County and its County Board of Supervisors, a sincere welcome to you for your first District Conference of its type in Wisconsin to be held October 22 - 24, 1976.

The membership of the three local clubs in Fond du Lac, I'm confident, will endeavor to make you comfortable and see that your meeting needs are met during your stay in our community.

I would hope that as visitors during this period, you will have a moment or two to look around at some of the things that make your host Lions pleased to be in leadership roles here.

Shops, parks, golf courses, restaurants and night-clubs all await your interest.

We know if you get around at all in "Fabulous" Fond du Lac County, you will want to stay awhile longer or come back soon.

To that end, I welcome you and hope your stay will be rewarding and relaxing.

Very truly yours,

DONALD R. FLANDERS
County Administrator

Welcome to

MORaine PARK TECHNICAL INSTITUTE

We are pleased that the District 27B-1, Lions have chosen our facility for the first Lions District Convention in the state of Wisconsin. We welcome the opportunity to acquaint you with our community, our campus, and its hospitality.

Moraine Park Technical Institute District would like to take this opportunity to commend the 64 clubs represented at this convention for their commitment to serving the needs of sight conservation, of the mentally retarded and of civic improvement. It is through the service and dedication of organizations such as the Lions that communities continue to thrive and make significant contributions to the quality of life in our society.

We hope your first convention will be a fruitful one and that we can be of service to you again. A warm welcome to our campus, Lions, Ladies Lioness and Leo Club members.

Dr. Robert P. Sorensen

International Director Jennings and his wife, Carmine, have two children and five grandchildren.

WELCOME LIONS of 27B-1 and GUESTS

It is a great honor for me to welcome you to Fond du Lac to our first District Conference. The main purpose of this Mini-Convention will be education in Lionism and promotion of friendship and good harmony between the Lions Clubs in our District.

I ask you to patronize the advertisers and those that display the official "Welcome" banners who have made this official program possible.

The Fond du Lac Noon and Evening Lions Clubs along with the District Cabinet and its Convention Committee have worked diligently to make this the finest convention you have ever attended.

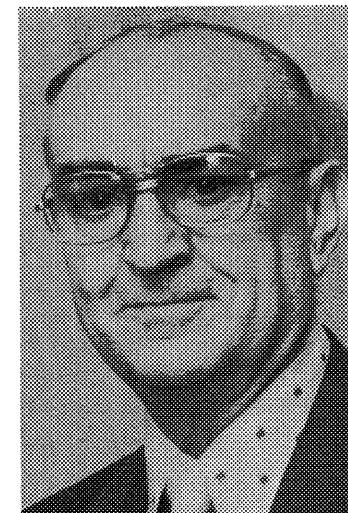

The Fond du Lac Lions are honored to be your hosts and sincerely hope your stay in Fond du Lac will be an enjoyable and memorable occasion.
