

CLUB VISITS

With all of the various commitments and special requests, it is extremely hard for one person to visit 63 clubs especially when the request is the same day. For the past few years the District Governor, 1st Vice District Governor and 2nd Vice District Governor have tried to make sure that one of them visit YOUR club.

I realize there are special occasions or clubs that only want THE DISTRICT GOVERNOR. Not a problem, but I need to know as soon as possible to check my availability. If we don't hear anything we will be in contact. Please let us know the occasion and what we are expected to do such as present awards, install new member or officers, be main speaker so we can plan appropriately. JUST like the SCOUTS - be prepared!

We will try to visit clubs we have not seen in prior years, so that you may get to know us as well as we get to know you. Let's all work as a TEAM!

Don't forget to send articles for the state magazine (vandynelionsnews@yahoo.com) and Facebook (kailieheinz@outlook.com).

We need to let everyone know WHO and WHAT we do.....

Please feel free to contact us ASAP - WE WANT TO SEE YOU
