

THE LION'S ROAR

Don't you hear those Lions Roar?

Don't you hear those Lions Roar?

You can hear them roaring every week,
as they feed and growl for more.

Don't you hear those Lions Roar?

Their snarling, rumbling Roar.

So, Roar! Lions, Bite Em, Bite Em, Bite Em!

Don't you hear those Lions,

Hear those Lions,

Hear those Lions Roar!

BEING A LION

Means that I have an obligation to my Lions Club to:

- * give freely of my time and talent to the club
- * attend all club meetings unless out of town or ill
- * give Lionism the preference in case of conflicting dates
- * make up missed meetings and report to secretary so that Club's attendance report is not affected by my absence
- * always be available for committee and other assignments
- * familiarize myself with the Constitution and By-Laws of my club, the Multiple District and the International Association of Lion's Clubs
- * become informed of the objectives and aims of Lionism, the Lions Code of Ethics, and the customs, rules and practices of my Club, District, and International
- * mutually share the knowledge and rewards of Lionism with my spouse
- * support club officers at all times

*THANK YOU from the Sheboygan
Hispanic Lions Club ...*

The officers and members of the Sheboygan Hispanic Lions Club wish to express our appreciation to Lion Jack Johnson, District Extension Chairman, for organizing our club, with the assistance of District Governor Del Peterson and PDG Herb Schneider; and the Sheboygan evening Lions Club for being our sponsor; and all the Lions and guests for attending our charter night; and the Lions Clubs who graciously presented us gifts.

It is our sincere wish that through you all, in the spirit of Lionism, we may further the ideals and the objectives of Lionism, God bless you all and have a safe journey home.

Tony Gamez, President
Sheboygan Hispanic Lions Club

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action toward others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.
