November 11 & 12, 2016
Heidel House, Green Lake

**JEROME THOMPSON
INTERNATIONAL DIRECTOR**

Jerome Thompson, from Moulton, Alabama, USA, was elected to serve a two-year term as a director of Lions Clubs International at the association's 98th International Convention held in Honolulu, Hawaii, June 26 through 30, 2015. Director Thompson is an attorney.

A member of the Moulton Lions Club since 1989, he has held many offices within the association, including club secretary, club treasurer, club membership chairperson, district governor, district public relations & Lions information chairperson, district GMT coordinator and multiple district GMT coordinator.

In recognition of his service to the association, Director Thompson has received numerous awards, including the Membership Key Award, three Leadership Awards, two Extension Awards and four International President's Awards. He is also a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Thompson is active in numerous professional and community organizations, including President of the Lawrence County Alabama Bar Association and member of the Lawrence County Chamber of Commerce.

Director Thompson has two sons.

A MESSAGE FROM THE DISTRICT GOVERNOR

Welcome, Lions, Lioness, Leos and guests to the 2016-2017 MD27 B1 District Convention.

At this convention I invite you to "Prepare for the Hundredth Year of Lions Clubs International" as we get ready to Celebrate in Chicago at the International Convention, June 30th to July 4th, 2017.

Friday evening join us while we visit with friends, enjoy some refreshments and play games. We have Chicago Style Monopoly games for you to try and blackjack tables to test your luck. I hope you will win the prize you pick out on the raffle. The Music is Chicago Themed and the dance floor is open. You're welcome to costume up in Lions Chicago themed attire from the year 1917 to the 2017 convention date.

International Director Jerome Thomson is here to help us gain new members and get active with meaningful service projects. His breakout session is a chance for you to share ideas and listen to what has worked for him.

To prepare for the 100th Year celebration we need to get the word out to more people. During the afternoon session LEBW Director, PDG Dierk Van Cleef will take us into the future with the visions for Eye Bank. Lion Brian McKay will help you understand our "Social Media", Lion Andrea Yenter will share her perspectives on the effect a Lions club has in the community.

I hope you gain some new insight and ideas of how Lions can serve in your community and the world.

Tom Berendes
District Governor
MD27B1 2016-2017

Welcome Lioness,

On behalf of District 27 B1, I would like to welcome all of you attending our 41st Annual Conference at The Heidel House in Green Lake. I hope you enjoy the many events and seminars planned for you this weekend. Hopefully you will find interesting ideas to take back to your clubs.

We have 12 Lioness Clubs in our District and a total membership of 210 Lioness. Our clubs are busy working all year long in our communities. We are grateful to serve.

Enjoy the Conference.

Bonnie Goeser
Affiliate District President

Welcome to our 41st annual convention in beautiful Green Lake, Wisconsin.

Our theme is Chicago, 100 years. Think of all the service hours the Lions, Lioness and Leos have provided for those needing our help over that period of time. No matter where the tornadoes, hurricanes, tsunamis or other disasters have occurred, our great organization has been there without fail to help those in need. We have provided eyeglasses, food baskets, blankets and any other items needed to relieve their suffering.

Those attending the Friday evening Casino Night will again enjoy the fun our fellow Lions from the Winnebago East Shore and Kiel Lions provide. Play a little Blackjack or just enjoy the camaraderie with fellow Lions.

For all you early birds, the Strides Walk begins at 7am. Our opening ceremony begins at 8am. We are trying something new this year: mini-seminars during the morning session.

Please visit the many vendor booths and collect ideas to bring back to your clubs so we may serve even better in the next 100 years. Come and listen to our seminars and hear about all the wonderful things we have done for others. Don't forget our featured speakers from the Eye Bank, Andrea Yenter from the Lions Camp, and Brian McKay for IT. And don't forget to get to visit the Lion/Lioness Bucket Raffle room!

Please give a warm Wisconsin welcome to our guest speaker, International Director Jerome Thompson from Alabama. ID Thompson will be our keynote speaker at the luncheon and you can also attend his "Membership" session after lunch.

The committee has worked hard to make this a memorable learning and fun weekend. We hope you have a "roaring" great time!

Lions Centennial Celebration July 2014 - June 2018

4) Service Projects a year

3) New Members a year

2) Years To Plan...

1) Big Party!

4) Service - The heart of every Lion & Club is our service. Conduct at least 1 service project in our 4 core areas each year:

- Youth • Hunger
- Vision • Environment

Report those activities on your Club's monthly Activity Report to earn special recognition in the Centennial Service Challenge.

3) Growth - New members bring new energy, ideas and hands to help. Grow your club by 3 members a year or sponsor a new club to earn special recognition. And, the longer those new

members/clubs stay in good standing, the more rewards you will earn.

2) Plan - How will you and your club celebrate this milestone? As with any project or event, we need to plan. Clubs should assign a Centennial Service Coordinator & committee now to begin planning your club's Centennial activities.

1) Party - However you decide to celebrate the Lions Centennial, make sure that you include celebrations for both your members and the community. Ideas can be found at lions100.org or at www.wisconsinlions/100.org.

On a State level, plans are underway for three major parties over the next three years. Look for more information as it becomes available.

Why A Lion/Lioness?

*I'm a Lion/Lioness as you can see,
But why is this important, especially to me?
It makes me feel needed and of use,
I can help alleviate suffering, waste and abuse.
I get involved with people in need,
I give of myself and forget about greed.
For I know that I'm helping in a special way,
The deaf and the blind each and every day.
I share and I live in my own fashion,
The love of Lions & Lioness,
their time and compassion.
It's a special opportunity, as you can see.
To share my one gift---and that gift is ME!*

Thank You MD27 Lions!

- ment has been met, the Birch-Sturm Fellow will receive a plaque

Amazing Grace
Amazing grace
how sweet the sound,
That saved a wretch like me.
I once was lost,
but now am found,
Was blind, but now I see.

Twas grace that taught
my heart to fear,
And grace my fears
relieved: How precious did
that grace appear,
the hour I first believed.

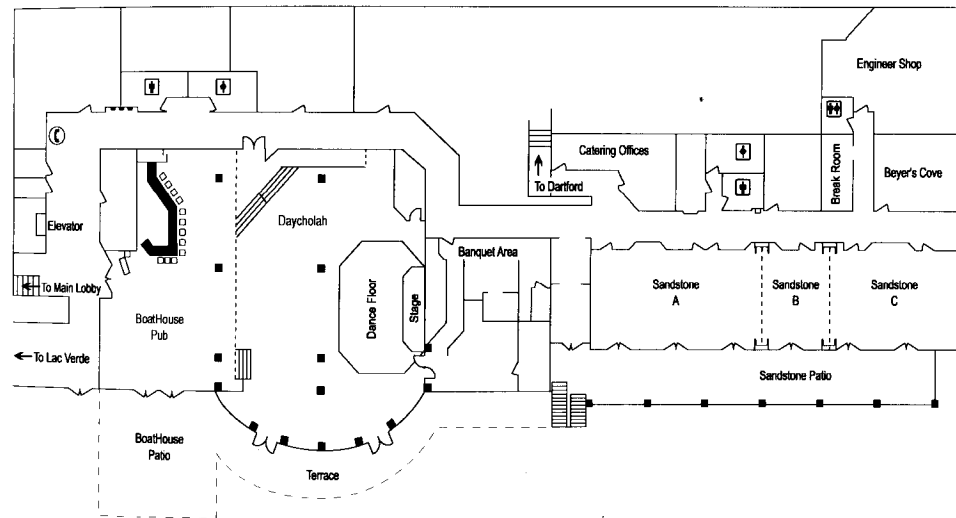

The Lord has promised
good to me,
His word my hope secures:
He will my shield
and portion be,
as long as life endures.
