Fellow Lions, Lioness, and Ladies:

As your District Governor it is my pleasure and great honor to welcome you to our Fifth District 27-B1 Convention.

The Lions and Ladies of Elkhart Lake have worked diligently to make this a worthwhile and an enjoyable occasion for all of us. While here in Elkhart Lake let us support those who have helped our fine Elkhart Lake Lions in this endeavor.

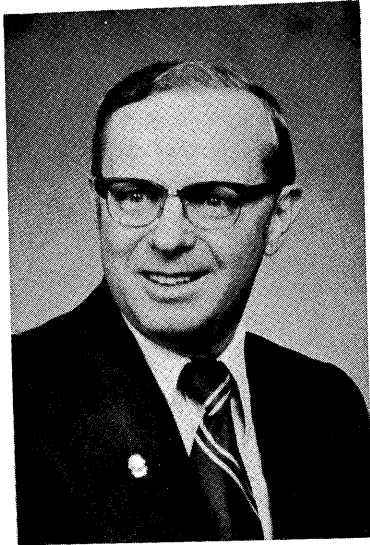

We sincerely thank them all.

Our seminars are planned to give each of you a better understanding of our Lionistic programs and objectives. It is with the help of dedicated Lions, Lioness, and Ladies like each of you that are with us for this convention that We can continue to deserve to be "Wisconsin's Finest Lions."

Let us return to our respective communities determined to follow the lead of our 1980-81 International President, Lion William C. "Bill" Chandler and TOUCH A LIFE WITH HOPE.

Glenn Murty
District Governor 27-B1

As your Convention Chairman, I welcome you to Elkhart Lake for the Fifth Annual District Convention.

The Elkhart Lake Lions and their Wives have worked long and hard to make this Convention a most enjoyable and informative one for you and your wives.

The Objectives of this Convention are:

- To illustrate and promote oppotunities for Service;
- To develop effective and informed Leadership; and
- To create a spirit of Fellowship and Enthusiasim.

We sincerely hope that you will enjoy your visit to Elkhart Lake and benefit from this experience.

Yours in Lionism,
Orvin Doede, P.D.G.
Convention Chairman

Welcome To The Lions Of
District 27-B1 Convention

On behalf of the Village of
Elkhart Lake, I would like to ex-
tend a warm and sincere welcome
to members of Lions Interna-
tional for your Fifth District
Convention.

Legend tells of two Indian maidens who were in love with the same brave, and the brave's decision to wed one of the maidens. The other maiden, in an effort to regain the brave's love, gave the heart of an elk. This was to no avail and later both maidens and brave perished when their canoe overturned on the lake. This tragedy led to the naming of Elkhart Lake in their honor.

With the building of the first resort in 1848 the community has been predominantly a tourist area. The 1950's addition to the tourist-oriented economy in Elkhart Lake is the Road America sports car track. The people of Elkhart Lake are proud of their Village for it's recent industrial, commercial and cultural environment it has provided.

I hope your stay in our area will be most enjoyable and your convention successful.

Sincerely,
Roland A. Thuecks
Village President

To : Visiting Lions Club Members
1980 Convention
Elkhart Lake, Wisconsin

Dear Lions Club Members and Guests:

On behalf of the Elkhart Lake Police Department I would like to take this opportunity to welcome you to Elkhart Lake. I was pleased to learn that you had chosen our community and our local Lions Club to host your convention.

While in this area you will find many fine restaurants and other places of interest as well as a better than average golf course. Many enjoyable hours can be spent driving through the scenic Kettle Moraine area. If the police department can be of any assistance to you during your stay please feel free to call upon us.

It is my hope that your stay in Elkhart Lake will be both fulfilling and enjoyable.

Thomas R. Winscher
