

District 27 B1 Outstanding Lions Award

Celebrating Service and Commitment **WHO DO YOU THINK FITS THIS?**

Introduction

District 27 B1 is looking to present a Melvin Jones Fellowship Award and a Birch Sturm/Ray Hampel Fellowship to a worthy LION in our district. Both of these awards are a prestigious recognition bestowed upon individuals who have demonstrated exceptional dedication and service to their communities and beyond.

Criteria for Selection

Dedication to Service

Candidates must have demonstrated a commitment to volunteer service, consistently contributing their time, energy, and resources to benefit others. Their efforts should reflect a deep-seated passion for helping those in need and a willingness to go the extra mile.

Impact on the Community

These awards seek to recognize individuals whose volunteer activities have had a tangible and positive impact on their communities. This includes initiatives that address pressing social issues, support vulnerable populations, and foster a sense of community and solidarity.

Leadership and Inspiration

Awardees are often leaders who inspire others to join in their volunteer efforts. They may have organized and led successful projects, mentored other volunteers, and strive to make the world a better place.

Impact of the Award

The recognition that comes with the Lions awards has far-reaching effects. Not only does it honor the recipient's hard work and dedication, but it also shines a spotlight on the causes they support.
