

Fond du Lac Noon Lions Club

January 1922 a small group of civic minded men came together and decided to make application to organize as the Fond du Lac Lions Club. Their charter application was approved February 15, 1922. The Fond du Lac Lions chartered with 25 members. They held their Charter night at a local Supper Club on June 22, 1922. Their Charter officers were: President Judge Lawson Lurvey and Secretary A.M. Langle.

The Fond du Lac Lions adopted preventing blindness as their major focus, while still doing community and civic service to the benefit of others.

In 1924 they formed the Fond du Lac Lionettes, "The Women behind the Men". This group of ladies continued for about 60 years as Lionettes, working side by side with the Fond du Lac Lions. In 1985 when the Lioness program was being formed, this group re-formed and called themselves the Fond du Lac Lioness. Their host club became the Fond du Lac Evening Lions and have been operating ever since. They hold the distinction of being the oldest Lioness Club in the world. In July 2021, they are planning on becoming a Lions Club.

In the first 50 years, the Fond du Lac Lions hosted three Multiple District Conventions, the third one was 1956. This particular convention was historic because a resolution was passed to foster and perpetuate the "Lions Blind Camp" at Rosholt, Wisconsin, now known as Wisconsin Lions Camp.

The major fund raiser was their summer Corn Roasts. Most of their club meetings were held at the Fond du Lac Elks Club. In 1973 there was club discussion about the possibility of forming an Eye Bank in Fond du Lac. The Fond du Lac Lions did transport eye tissue to the Milwaukee Eye Bank. When the Lions Eye Bank of Wisconsin was opened in Madison, Lion Orv Doede became the long-time dispatcher for the Fond du Lac area. The Fond du Lac Lions also helped plan and work to provide the Holiday Hippodrome Circus at the Goodrich Little Theater in May 1973. They frequently participated in the Fox Valley Renaissance Fair, promoting Lionism and hoping to recruit more members.

In 1960 the Fond du Lac Lions organized the Eden Lions Club and had the help of Multiple District Membership recruiter Shafeec A. Mansour. A Lion Kalcik was the 27B Governor.

In 1973 the Fond du Lac Lions Chartered the Fond du Lac Evening Lions Club. This new Lions club chartered with 21 members and held the Charter night at the Left Guard Charcoal House. Lions Clubs International suggested that they rename their club to save any confusions with the Evening club. They became known as the Fond du Lac Noon Lions Club.

This Fond du Lac Noon Lions club was a very proud group as demonstrated at their annual "Christmas Parties" at area Supper Clubs. They also sent an impressive delegation to the Multiple and district conventions. One of the great leaders in this club was Orvin Doede, who became a District Governor as well as a Wisconsin Lions Foundation director.

The Fond du Lac Noon Lions held their 50th Charter anniversary dinner with the vocal quartet "The Trust Company" as the entertainment. The keynote speaker was Past International Director James Foster.

The 60th Charter anniversary was a well-planned event. This was held at the Fond du Lac Elks Club on February 27, 1982. The Fond du Lac Noon Lions were 28 strong at that time. The entertainment for the evening was the dance band "Bibbs De Rusha Band". The key speaker was District Governor Fredrick Holtz, from the Adell Lions Club. The dignitaries at the time were International President Kaoru "Kay" Murakami, Kyoto Japan, District Governor Frederick Holtz, Adell, Deputy District Governor Milton Wood, Ripon, Zone Chair Peter Cappozzo, Eden, Wisconsin Lions Foundation Director PDG Orvin Doede, Fond du Lac Noon Lions member.

In the 1990's the Fond du Lac Noon Lions struggled to maintain their membership numbers, trying several ideas for recruitment. Finally, they decided to cancel their Charter on June 27, 2006.

ANNOUNCING GRANTING

HISTORY

The Fond du Lac Lions Club was organized February 15, 1922, and received its charter on the night of June 22, 1922.

The first president, Judge Lawson E. Lurvey, presided at this meeting which consisted of twenty-three charter members.

Three Lions State Conventions have been held in Fond du Lac, the last one in May, 1956. This convention produced many honors for the Lions Club and the city, among which was the largest and most spectacular parade ever staged in the city of Fond du Lac.

Also, at this meeting, a resolution was passed to foster and perpetuate the Lions Blind Camp at Rosholt, Wisconsin.

The "women behind the men" Fond du Lac Lions Auxiliary was formed in 1924, and has consistently aided the Lions Club in its activities.

Assistance to the blind is the club's major project, but service and participation in civic projects will always find Lions willing to serve and contribute towards the success of the community.

LIONS

Liberty, Intelligence, Our Nation's Safety

In the year 1917, a small group of civic-minded and big-hearted men met in Chicago and provided the nucleus to produce the world's premier service club organization. Lions Clubs worldwide have achieved the reputation of being a force for good. Lionism today is measured by more than 1.3 million members who are dedicated to service goals and who put the needs of others before themselves.

The Fond du Lac Lions Club was organized February 15, 1922, and received its Charter on the night of June 22, 1922. The first president, Judge Lawson Lurvey, presided at this meeting. Since then, every Fond du Lac Lion has given up many leisure hours to work on club service activities. Hence, we have experienced that deep sense of satisfaction which serves as our reward for helping others.

Assistance to the blind is the Club's major project, but service and participation in civic projects will always find Lions willing and ready to serve and contribute to the success of the undertaking.

Now, the Fond du Lac Noon Lions Club is 60 years of age. On June 5, 1973, a new Club, the Fond du Lac Evening Lions was formed and has added an extra impetus to Lionism in our community.

Three Lions' State Conventions have been held in Fond du Lac, the last one in May of 1956. It was at this meeting that a resolution was passed to foster and perpetuate the Lions Blind Camp at Rosholt, Wisconsin.

The "Women Behind the Men," Fond du Lac Lionettes, was formed in 1924 and has consistently aided the Lions Club in its activities.

Lions everywhere have helped to better human conditions in 152 nations and geographic areas. We in Fond du Lac are happy and proud to belong to a cross-section of democracy consisting of dedicated men willing to serve humanity.
