Lions Club**

Fellow Lions, Lioness, Ladies, and Guests:

As your District Governor it is my distinct honor and pleasure to welcome you to our 15th District 27-B1 Convention. The Green Lake Lions and the Heidel House personnel have worked diligently to make this a truly great event for you.

We hope you will enjoy the hospitality these three days, partake in the Saturday morning session and other activities, attend as many seminars as you can, and certainly be present Saturday night to hear our International Director, W.W. "Bill" Webber from Canada. With all these activities, it enables each of us to learn more about Lionism and go back to our individual clubs better informed than we were before. You had the initiative to come to this convention in the first place. You are the ones that will go home and "Make It Happen" in your Lions/ Lioness Clubs and your community. Our seminar presenters have the information so that you and your clubs can answer the challenge Helen Keller gave us 65 years ago as knights of the blind in the crusade against darkness.

Thank You for coming and a special welcome to all our visitors from outside the boundaries of B-1. We're happy you could share this week-end with us. Thank You to all seminar presenters for your work. Thank You to all delegates, alternates, and guests for your attendance - nice to see you all. "Go Forth" more inspired to face the challenges of helping all people less fortunate than you and I in your community, our state, and our universe.

God Bless You All and Enjoy The Convention.

Victor V. Voigt
District Governor 27-B1

Fellow Lions, Lioness and Guests:

The Green Lake Lions Club would like to welcome you to the 15th Annual District 27-B1 Convention.

A Convention Committee has lined up an interesting, informative and fun filled weekend for all.

One of the highlights of the Convention will be our guest speaker at Saturday nights banquet, International Director William W. Webber. I am sure his message will enlighten and encourage us all.

We hope that all those in attendance at the Convention will leave as a better person and Lion for the knowledge that they have gained through the Seminars and fellowship of Lionism.

Have fun and enjoy your Convention. We, the Green Lake Lions Club have enjoyed having you as our guests.

Gordon D. Hoffman
Convention Chairman

Welcome to the 15th Annual 27-B1 District Convention.

District Governor Vic and the Green Lake Lions Club have arranged a great convention for the Lions and Lionesses of our District. You have the opportunity to share ideas, learn more about Lionism and enjoy hospitality. I encourage you to attend and participate in all the activities that are planned.

Our International guests from St. Albert, Alberta, Canada are International Director William W. "Bill" Webber and his wife Joan. Introduce yourself to them and welcome them to our District. We would also like to welcome our other guests from around Wisconsin. It's great to have you with us.

Take the information from this convention back to your Lions and Lionesses Clubs so that others can benefit from your presence here. There is always something we can do for the less fortunate, the youth and the elderly in your communities and around the world.

Enjoy the convention!

Thomas E. Thorson, IPDG

Congratulations District 27B1
on their 15th Annual Convention
in Green Lake.

the other river in the valley...

We're James River Corporation. One of the largest paper companies in the world. With headquarters on the James River in Richmond, Virginia.

Since 1969, we've grown to include 141 manufacturing facilities in 30 states in the U.S. and internationally.

We employ over 42,000 skilled people and more than 950 of them live right here in the Fox River Valley.

Our largest Valley facility, the Washington Street Plant, in Menasha, is one of the nation's major producers of folding cartons for food and related consumer products.

The Menasha Canal Street Plant produces materials for the packaging industry including polycoated waxed papers, sandwich wrap and wax laminated locker paper.

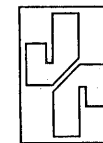

The Wisconsin Preparatory Center, on American Drive in Neenah, is one of the largest prepress production facilities in the country. Its employees use state of the art computer and laser technology to produce package drawings, cutting dies and lithographic plates for all of James River's paper-board packaging operations.

James River Corporation has made a major investment in the Fox River Valley industry...and its people.

Our total annual Valley payroll exceeds 31 million dollars. We support community involvement including the United Way, Chamber of Commerce, Labor-Management Council and other local activities.

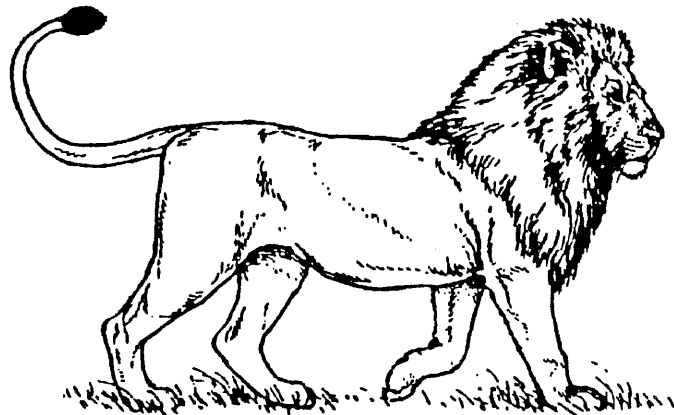

We are proud to be a part of the growth of Fox Cities.

Our River runs deep.
