DISTRICT CONVENTION

November 13-14, 2015

Amazing Grace

Amazing grace how sweet the sound,
That saved a wretch like me. I once was lost, but now am
found, Was blind, but now I see.

Tw'as grace that taught my heart to fear,
And grace my fears relieved: How precious did that grace
appear, the hour I first believed.

The Lord has promised good to me,
His word my hope secures: He will my shield and portion be,
as long as life endures.

How Great Thou Art

O Lord my God, When I in awesome wonder,
Consider all the worlds Thy Hands have made: I see the star,
I hear the rolling thunder,
Thy power throughout the universe displayed.

Refrain:

Then sings my soul, My Saviour God, to thee,
How great thou art, How great thou art. Then sings my soul,
My savior God, to thee, How great Thou art,
How great Thou art!

When Christ shall come, with shout of acclamation,
And take me home, what joy shall fill my heart.
Then I shall bow, in humble adoration,
And then proclaim: "My God, how great Thou Art!"

Refrain

DG Marv & Lion/Lioness Diane

Welcome Lions, Lioness, Leos and Guests -

To the District 27-B1 40th Annual Conference. The Conference Committee has been hard at work to set this Annual Conference up to be a two-day celebration of all you do in our great District.

On Friday night; have lots of fun at the Casino Night, playing Black Jack, craps tables, and roulette. Enjoy yourselves and learn about all the Lions projects, talk with the Lions project representatives and visit all the tables telling about them all. Meet your friends and make new ones while you learn. These representatives have great presentations, so keep that in mind if you need a speaker for one of your meetings.

I want to thank our Conference Planning Committee for all the work they did in putting this conference together. We are trying something new. We are holding our Cabinet Meeting and the District Meeting at the same time on Saturday Morning after opening the Convention at 8:00 a.m. with the flag ceremony. After the Cabinet Meeting we will have some interesting speakers and the Noon Luncheon.

Be sure to meet and talk to our guest, ID Bill Phillipi and his wife, Lion Vickie from Maryville, KS. Lion Bill will be speaking on Lionism at our Noon Luncheon on Saturday. I am sure we will enjoy hearing from him about what is going on in Lions throughout the world. If you are attend a Conference for the first time, be sure to participate in our Newcomer's Contest; a fun way to meet more Lions & have fun, too.

There will be several great seminars in the afternoon running in one session so everyone can attend. And of course, we will close the Conference on Saturday night with the Governor's Banquet.

And in closing, thank you to my fellow governors for taking time out of your busy schedules to come and celebrate Lionism with District 27-B1.

DG Marv & Lion/Lioness Diane

ADP/PDG Jerry Post

LIONS, LIONESS AND LEO'S, OH MY!!!

Welcome to District 27-B1's 40th Convention. No, we are not in Kansas, but that is where our speaker International Director Bill Phillipi and his wife Lion Vickie are from. Please stop by them, say hello and give them the big Lioness hug that we are known for. (I like Lioness hugs also.)

The convention committee has been working hard to give you the best convention ever, so visit the booths and hopefully get some ideas to bring back to your cubs. Don't forget Friday night hospitality, you will have no problem finding me.

Wonderful seminars have been set up for you so you can see where all your service activities have been put to wonderful use for all those in need. After lunch will be the two seminars set up by the Lioness and they are Baby Greyson and parents to personally thank everyone for one of the greatest gifts we could have given them, and that is the gift of hearing. The next seminar is Bradly Wagner, if you remember six years ago he talked at PDG Len Quinn's convention as a first time camper. I can tell you he is not the quiet, shy little boy that we met that year. He has grown into a fine young man with dreams that he will be fulfilling as he goes off to school to become an accountant. Both their stories will fill your hearts.

They say that every message or article should have an ending; I can't do that because our ending is nowhere in sight. Serving others is a wonderful thing. Stay healthy and stay active.

Thank you for all you do for others.
ADP/PDG Jerry Post
Affiliate District President 27-B1

Welcome to the 40th annual District 27-B1 convention!

How things have changed since that first convention, in my very own Fond du Lac back in October of 1976.

This year, the Radisson Paper Valley in Appleton is the site of the festivities. We start off by offering a Friday night hospitality that's sure to please, featuring a casino night; an interesting and informative Saturday morning session including the District 27-B1 cabinet meeting so all members can see the inner workings of their leadership; an excellent luncheon highlighted by our superb keynote speaker, International Director Bill Phillipi from Marysville, Kansas; and an afternoon of outstanding seminars, including news of Baby Grayson and our own PDG Len Quinn on Leader Dog. Capping it all off is an excellent Saturday night banquet.

I would like to take this moment to thank District Governor Marv and the entire convention committee for your assistance in putting together this event. It takes many hardworking people to cause any Lions activity to become a reality, and I am once again blessed with the best group one could possibly ask for.

Also, the committee is trying to offer what you, the attendees, want to see in your convention. Please don't forget to participate in this process by filling out the convention evaluation forms you will receive this weekend. Only by hearing what you have to say about the event can we continue to make it better each year.

40 Years --- and still learning.

Thank you, and I wish you an enjoyable and informative convention.

Yours In Service,
PDG Gary Silah
27-B1 Conference Coordinator

BABY GREYSEN KOBIERECKI

We are the Kobierecki Family, Andy, Kristina, Ryder and Greysen.

Our love story began six years ago. Three years later, we became a family with our first son Ryder. Each birth of our boys had their own surprises. Ryder was supposed to be a girl and Greysen arrived prematurely. His early arrival turned from a scary situation to a true blessing in disguise. Greysen was born with Microtia which is a congenital condition in which the ear does not develop properly. The word Microtia translates to "small ear." Greysen has a grade 3 on his right ear. Within the first 2 weeks of his entry into this world, it was discovered that he had a tumor in his left Kidney.

Through all the issues and medical things going on with this precious little boy of ours, he was always able to smile through it all and show me strength I never knew we would have as a family. We were able to push through everything even when it felt like nothing would work. Microtia is not well known by many, yet it is pretty common now that I know about it. When it came to finding a way for Greysen to hear, the insurance company turned us down and said no. We were turned down by so many "options" for assistance with the hearing aid. Through the many Rollercoaster rides of this we have had the pleasure of working with Wendy and the Lions club in raising the money for Greysen's hearing aid! We are so truly blessed to have found you and to have been able to help others and pay it forward!

Is it Time for Pride?

Earl Nightingale told us "Never give up on a dream just because of the time it will take to accomplish it, the time will pass anyway."

Time does pass but Lions Pride has not given up on our dream to protect, preserve and provide for Lions Camp and all WLF State wide projects.

Is it time for you to make your gift or renew your pledge? Together we can ensure the Legacy of Lions service that began almost 60 years ago.

Support our efforts, volunteer at an event, supply a raffle item, invite a Lions Pride Speaker to visit your Club, make your personal financial commitment to the future with your gift/pledge. Isn't it Time?

Yes, it's time, please accept my enclosed donation!

BRADLY WAGNER

Meet the Wagners

Bradly Wagner (age 18) is a senior at Sheboygan Falls High School. He is also a student at Lakeshore Technical College, taking college courses while completing high school. Bradly is also a 4 year varsity letter winner in cross country. What is incredible about Bradly is that he was diagnosed with severe autism. Attending Wisconsin Lions Camp for 7 years has assisted him in gaining the skills, confidence, and independence to work toward his goals of becoming an accountant and a marathon runner.

Gerard and Jenny Wagner have been together for 20 years and are the parents of Bradly Wagner. Both are huge supporters of their son and Wisconsin Lions Camp (WLC). Jenny has been interviewed by Lions International Magazine about WLC and the positive impact WLC has had on Bradly, their relationship, and their family as a whole.

Lions Centennial Celebration July 2014 - June 2018

4) Service Projects a year

3) New Members a year

2) Years To Plan...

1) Big Party!

4) Service - The heart of every Lion & Club is our service. Conduct at least 1 service project in our 4 core areas each year:

- Youth • Hunger
- Vision • Environment

Report those activities on your Club's monthly Activity Report to earn special recognition in the Centennial Service Challenge.

3) Growth - New members bring new energy, ideas and hands to help. Grow your club by 3 members a year or sponsor a new club to earn special recognition. And, the longer those new

members/clubs stay in good standing, the more rewards you will earn.

2) Plan - How will you and your club celebrate this milestone? As with any project or event, we need to plan. Clubs should assign a Centennial Service Coordinator & committee now to begin planning your club's Centennial activities.

1) Party - However you decide to celebrate the Lions Centennial, make sure that you include celebrations for both your members and the community. Ideas can be found at lions100.org or at www.wisconsinlions/100.org.

On a State level, plans are underway for three major parties over the next three years. Look for more information as it becomes available.

THE BIRCH-STURM FELLOWSHIP PROGRAM

The Birch-Sturm Fellowship Program was created by the Wisconsin Lions Foundation to honor those Lions, Lionesses, Leos and non-Lions who exemplify undying dedication and commitment to the work of the Wisconsin Lions Foundation and the humanitarian works that it supports. The Fellowship honors Wisconsin only International Presidents, Frank V. Birch and Clarence L. Sturm. Both were great supporters of the Foundation.

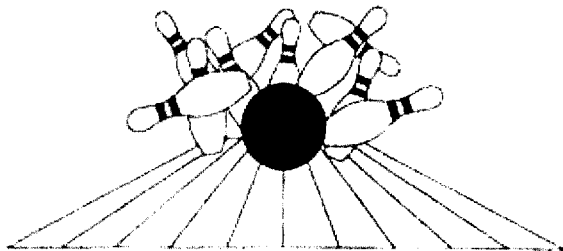

In order to become a Birch-Sturm Fellow a commitment of \$1,000.00 must be made to the foundation. After this commitment has been met, the Birch-Sturm Fellow will receive a plaque with his/her name on it, a Fellow lapel pin and the name will be inscribed on the Birch-Sturm Fellowship Master Plaque honoring all Birch Sturm Fellows.
