## Not All Work and No Play...

An organization cannot function well without a little down time for fellowship and relaxation. Fellowship is an integral and highly valued part of our Club. From the Tail Twister getting the fun started at our meetings, Christmas parties and Spouse nights, our club, although a service club, makes time for fun. We also expand our fellowship to other Lions Clubs as well through our quarterly Zone Meetings.

# YOU Can Make the Difference

## Fundraisers

## Where does the Money Go?

Since 1917, local Lions clubs have offered people just like you the opportunity to give something back to their community. Today, with over 1.35 million men and women in over 45,000 clubs in 200 countries, Lions have expanded their focus to help meet the ever increasing needs of our society.

The Sheboygan Evening Lions Club has been chartered since 1922. As a member of our Lions club you become aware of the needs of our community and have the advantage to effectively make a difference. Our club provides volunteers with project management assistance, leadership training, personal development opportunities, and organized fundraising programs. Being a Lion empowers you to help others in a way that no one person could do.

The Sheboygan Evening Lions Club is a service club that takes the Lions motto "WE SERVE" very seriously. Our members are dedicated and serve many hours to help

raise money for a variety of causes. Some of our fund raisers include Rose Day Sales (selling and delivering flowers for Mother's Day), operating a concessionstand at Wings and Wheels, conducting a Spring/Summer Golf Raffle and brat fry's throughout the year. Our members not only work to raise money but continue to serve by personally aiding someone in need of assistance. We also help educate the community about blindness,

diabetes and the hearing impaired. Our volunteers provide vision screening to preschool children to help detect vision disorders that can easily be corrected with

early diagnosis. We provide transportation to monthly meetings and summer camp for the sight impaired.

Selling and Delivering Flowers for Mother's Day

We continually collect glasses and hearing aids for recycling to give to those who cannot afford this simple aid for a better quality of life.

One hundred percent of the money raised will be donated to a wide variety of worthy causes such as Lions Camp (a free camp for children and adults with special needs). On a local basis, our Club, has contributed monetarily to:

- Scholarships
- Foreign Exchange Students
- Leo Clubs
- Boy & Girl Scouts
- Eye Exam for those in need
- Leader Dog Training
- Bookworm Gardens
- Above & Beyond Children's Museum
- INSIGHT and REINS Programs
- Safety Glasses and Equipment to the Sheboygan School District
- Wisconsin Lions Foundation
- Bell Ringing for the Salvation Army
- Wisconsin Eye Bank Tissue Transport
- Collection of Used Eyeglasses & Hearing Aides
- Transportation for the Individuals with Visual Impairments

Now more than ever, people with vision problems, the environment, our senior community, our youth and the disadvantaged around the world need your help. You can make a difference.

Locally, Sheboygan's Lions Clubs donated \$12,000 after the flood of 1997 with an additional \$10,000 donated by Lions Club International.

Lion's Club International Foundation gave a \$8.8 million grant to the Lions Carter Center Sight First Initiative to eliminate river blindness and other causes of preventable blindness.
