Happy holidays from the Lions Club | Letter

by Steve Thompson, Secretary...Westfield Lions Club

Dear Westfield friends and neighbors,

As members of the Westfield Lions Club, we, like everyone else, in this wonderful community, have been immensely affected by this once in a lifetime pandemic! Like many other organizations, we have had to cancel most of our community projects this year because of the safety issue with Covid-19. The Easter Egg hunt was canceled in the Spring, In addition we were NOT able to see so many of our friends at our Annual Harness Racing event at the fairgrounds in July. We will also have to bypass our usual Fisheree extravaganza at Lawrence Lake in early 2021.

Thankfully we WERE able to award numerous donations and sponsorships. The Westfield Lions Club provided a \$500 donation to the Pioneer Pantry to provide food to students/families that were in need, along with other items provided throughout the year; the Club provided a \$500 donation toward Lions Pride for needed camp endowments; the Club provided five Student Scholarships at \$750 each, or a total of \$3,750, plus a \$200 Service Scholarship, and one Bowling Scholarship at \$100; the Westfield Lions Club along with Lions Clubs in Coloma, Neshkoro and Oxford shared the cost of an otoscope for use by the school district's nurse to help provide quick and proper treatment of throat and ear ailments in students; the Club provided a \$200 donation to the Marquette County Home & Community Education Association to assist them in their efforts to purchase needed books for the Headstart program and library; the Westfield Lions Club's Annual Bowling Tournament provided over \$1000 to help support the DARE program and other needed community initiatives; the Club provided a \$250 donation to the Ethel Everhard Memorial Library toward their Summer Reading Program; the Club provided a \$600 donation toward the purchase of milk that was incorporated into the meals of needy families at an area pantry; the Club provided a \$1000 donation to the Lions Eye Bank of Wisconsin to assist them in recovering and preparing tissue for emergency cornea surgeries during the pandemic; the Club provided a \$250 donation to the Leader Dog program; the Club netted approximately \$1500 from the Annual gun Show & Raffle to help support future community projects; and the Club provided nine "eye tissue" runs for the Wisconsin Lions Eye Bank.

Even though we had to cancel our biggest money making project, our 2021 Fisheree, which has impacted our funds for next year, we look forward to a time when we can meet and greet those in this giving community again! We are, and have always been, grateful to the community for your support. One of the best parts of being a Lions Club Member is interacting with members of our community, but we want to wish you the best, safest holiday season! We look forward to meeting with you again in the future. Happy Holidays from all the Westfield Club Members
